All Quiet Sparknotes Chapter 9:

Erich Maria Remarque's All Quiet on the Western Front Erich Maria Remarque, 2008 This 1929 novel served as Remarque's attempt to confront and ultimately rid himself of the graphic and haunting memories of his time serving in World War I. A novel with overtones of autobiography, *All Quiet on the Western Front* traces the evolution of one man's powerful antiwar sentiments. Summary of Defy SellWave Audio, 2025-10-26

In a time when many of us feel anxious and unsure whether we're facing social injustices or personal challenges, award-winning researcher Dr. Sunita Sah offers clear strategies to help us activate our values and find the courage to take a stand. How often have you wanted to speak out, disagree, or refuse to go along with something only to hold back and conform? In *Defy*, Dr. Sah uses groundbreaking research, compelling stories, and actionable everyday strategies to show you how to show up for yourself and others in all areas of your life: personal, professional, and beyond. Her data-driven approach demonstrates why defiance is an essential skill and how anyone can build this superpower. Through *Defy*, you'll learn how to take small steps to practice defying in low-stakes situations, recognize the signals from your body that it's time to stand up and activate the power of taking responsibility for both yourself and those around you. Dr. Sah also shares how to rehearse for challenging moments and how to teach children the difference between obedience and doing the right thing, even when it's unpopular. *Defy* shows that while compliance can be a pervasive, corrosive force in society, it's also preventable. By sparking a domino effect of defiance, we can create change, cultivate courage, and empower ourselves and others to act on our values.

Summary of Adyashanti's Emptiness Dancing Everest Media, 2022-04-29T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights: 1. Enlightenment means waking up to what you truly are and then being that. It means realizing and being; realizing and being; realization alone is not enough. The completion of Self-realization is to act, do, and express what you realize. This is a very deep matter. 2. When I became the Oneness of everything, I also became the consciousness or spirit that woke up out of all identification. When the Oneness disappeared, there was still a basic awakeness, but it had two different aspects: I'm everything and I'm absolutely nothing. 3. When we really start to take a look at who we think we are, we become very grace-prone. We start to see that while we may have various thoughts, beliefs, and identities, they do not individually or collectively tell us who we are. 4. The biggest barrier to awakening is the belief that it is something rare. When this barrier is dropped or at least you start to tell yourself that awakening is difficult, then everything becomes available to you. When you start to take in this awakeness, it is mind-boggling.

I was sick in 1989, and my wife and I had to go to a mountain village to share the gospel. I began to feel sick and weak, and my eyeballs were yellow. I went to a local doctor who ran some blood tests and confirmed that I had a very serious

case I would need to be in bed on a strict diet for four months 2 The gifts of the Spirit including healing have not passed away They remain alive in the church today and their purpose is to spread the gospel to every creature 3 The command to preach the gospel was not just given to the apostles but to the entire church If not then we are not called to preach the gospel today because that command died with the last apostle 4 The apostles of the Lord could not be around generation after generation to lay hands on each new believer and give them the power of the Spirit The power was not the apostles power but the Lord s power that confirms the gospel
