Water Park Mid-Course Project Tasks

Task #4

Review your results for Module 4 problems 1. Provide a cost analysis of the project to repair the pool.

Include a description of the most relevant inputs, a concise summary the work done, the cost of the project, and the calculations used to find this information. You may want to review problem 2 as well and provide an explanation of the observations in attendance to the waterpark and how this will benefit the park. How will this impact paying for these upgrades?
