7 TO 10 POINTS

Balls-Out Badass

With your "Go bad or go home" approach, life is a never-ending list of rules to break and drama to whip up. It's a blast being a boundary-breaking, try-anything chick, but you're not earning anyone's respect—just a reputation that could damage your future, says Jodi Lipper, coauthor of *How to Love Like a Hot Chick*. Next time you're tempted to stir up trouble, ask yourself if your helixcat antics will degrade you or someone else. If so, a little self-control is in order.

4 TO 6 POINTS

Naughty When Necessary

You maintain a pretty good balance of sugar and spice: You won't take crap from anyone, nor will you play everything safe, yet you draw the line at being aggressively sexy or vengeful just to turn heads, says psychologist John Valente, PhD, coauthor of *Brave New You*. You know that a sly dig or R-rated gesture can have way more impact than a nasty rant or triple-X move.

0 TO 3 POINTS

Too Good for Your Own Good

You have a naughty side, but for some reason, you keep it under wraps, where it does you no good. You may be suppressing your wilder impulses because you're afraid you'll be judged poorly, says Lipper. The result? You're overlooked by guys and typecast by pals as the "responsible" one, says Valente. Show some backbone when you get dissed and more skin than usual on Saturday night. A little badness is extremely sexy, and it prevents people from taking advantage of you.
