The Call Doug Ernest, 2022-11-03 Young baseball players dream of one thing to get the call up to the Majors When as a fan five year old Hunter Austin experiences his first professional baseball game he proclaims to the folks in the bleachers that one day he ll get The Call play baseball on TV and have his face on baseball cards While the laughter of the crowd doesn t faze him it s hard to keep his faith when he hears his father say You re too small too weak and not good enough The Call

explores the challenges of an overlooked and unappreciated second son as he keeps working toward his goal despite ongoing adversity criticism and rejection With the faith and support of a loving woman Hunter finds the determination to practice with purpose and play with passion and keep the dreams of his youth alive This emotionally poignant novel illustrates what one can achieve when they live a purpose driven life The Call is an imaginative coming of age story that shares the field with historical figures from the game of baseball It is a mixture of imagination and fact through the use of historical fiction which transports readers to another time and place either real or imagined

### **Tactical Approaches to Technical**

**Communication** Hayley McCullough, Hilary A. Sarat-St. Peter, Miles A. Kimball, 2025-06-01 Delves into how individuals tactically exist within communicative systems carving out spaces for themselves in places they don't necessarily fit In 1984 Michel de Certeau described the terms strategies as how institutions communicate their wants demands desires and tactics as how individuals navigate these potentially hostile unwelcoming systems A little over two decades later Miles A. Kimball solidified the idea of tactical technical communication laying the foundations for a new area of inquiry and scholarship Today many academics and researchers have imbued the concept of tactical technical communication with their own ideas and perspectives This essay collection spotlights a meaningful diversity of tactical technical communication scholarship exploring topics like the feminist punk magazine BIKINI KILL the phenomenon of copwatching the usage of fictional narratives in technical writing courses and the challenges of LGBTQ visibility in local libraries In many ways the contributors are partaking in their own forms of tactical communication as they carve out spaces for themselves and their ideas within the academic discourse
