

A close-up, high-contrast photograph of two men in suits. The man on the left is in sharp focus, wearing thick-rimmed black glasses and a brown suit with a white shirt and dark tie. He has a serious expression. The man on the right is slightly out of focus, wearing a light-colored suit, and is looking down with a slight smile. The background is dark and indistinct.

A Single Man:

One Man's Journey A Lonsdale, 2021-04-20 One Man's Journey is a reimagining of events that occurred from the day of Tony Blair's resignation in 2007. The story is a satirical take on our hero's search for meaningful employment from that date onwards. We follow Tony in his desperation to find a job. His bitterness at having been forced out of office pervades the entire story as does his wish to be reunited with his best friend, former President Bush. Following a traumatic event, Tony is finally contacted by George who offers him a job to be his personal representative on the first manned NASA mission to the planet Mars. In light of very little else, he accepts and blasts off to Mars accompanied by a crew of elderly astronauts. But the mission isn't as plain sailing as he'd hoped and Tony's time could be running out. **One Man's Destiny** Walter M.

Cernecka, 2016-02-25 This book was written by a man that has lived half of his life in turmoil and addiction. His decisions took him to places that could have killed him, but this thing called DESTINY came into play. The author puts destiny and higher power as one. Hopefully, this book can teach and prevent others from making the same choices that tragically led to the death of 90% of his young friends. The book will take you on a wild journey of amazing survival and hope. *One Man's Revenge* Mimi

Paris, 2010-01-12 THEY'RE HERE Terrorists are in southeastern Florida. The plan is to blow up certain bridges along the Intracoastal Waterway from Jacksonville to Miami. Their goal is to arouse fear in every person in the United States. When will they strike? What bridges? Is anyone safe from these nonreligious Middle Eastern mercenaries who worship only money? Characters aren't always who they seem to be. Greed, mistrust, and hatred surprise the reader. Sex is sometimes used for exploitation, yet true love exists. Suspense surges to the last page. *A Single Man*, by Christopher Isherwood Christopher
