Guide to Social Action helps students learn how to bring about the change they believe will improve their community What
distinguishes an experiential social action class from other social change courses is that students are actively involved in
enacting a policy change of their choice providing first hand experience of democracy and power Students can choose to
start a new campaign keep a campaign going from a previous semester or join a community campaign This valuable new
edition includes updates to the student victories section reordering and updating of chapters for better student learning and
updates to all of the portfolio assignments **Principles of Group Accounting under IFRS** Andreas
Krimpmann, 2015-06-02 A professional perspective to implementing IFRS 10 11 and 12 The new International Financial
Reporting Standards IFRS 10 11 and 12 are changing group accounting for many businesses As business becomes
increasingly global more and more firms will need to transition using the codes and techniques described in Principles of
Group Accounting under IFRS This book is a practical guide and reference to the standards related to consolidated financial
statements joint arrangements and disclosure of interests Fully illustrated with a step by step case study Principles of Group
Accounting under IFRS is equally valuable as an introductory text and as a reference for addressing specific issues that may
arise in the process of consolidating group accounts The new international standards will bring about significant changes in
group reporting and it is essential for accountants auditors and business leaders to understand their implications Author
Andreas Krimpmann is an internationally recognized authority on the transition from GAAP to IFRS and this new text comes
packaged with GAAP IFRS comparison resources that will help make the changes clear Other bonus resources include an
Excel based consolidation tool checklists and a companion website with the latest information Learn about Definitions
requirements processes and transition techniques for IFRS 10 11 and 12 covering group level accounting Practical
implementation strategies demonstrated through a clear case study of a midsize group Key concepts related to consolidated
financial statements joint ventures management consolidation and disclosure of interests Comparisons between GAAP and
IFRS to clarify the required changes for international firms Whatever stage of the consolidation process you are in you will
