A Summer In Tuscany:

Summer in Tuscany Elizabeth Adler, 2025-09-23 Gemma Jericho is an overworked New York doctor with a handful of a teenaged daughter and a mother who worries that Gemma has no life So when her mother receives a mysterious letter telling her about an even more mysterious inheritance in Tuscany Gemma sees her chance the three of them throw caution and convention to the wind and leave for Italy Gemma hopes that a change of scenery will bring back the closeness she used to share with her daughter And perhaps the challenges of living in a foreign country will give her mother something to worry about beyond Gemma's social life But what they encounter there is far more distracting than Gemma expected a crumbling old villa and a town divided Half the residents believe that Ben Raphael another American is the rightful inheritor of the villa As cultures clash gossip soars and intrigue unfolds Gemma is caught up in the most disturbing and delicious trouble she's ever had And her summer in Tuscany will change her outlook and her life forever *A Summer in Tuscany* Sandra J.

The Tuscan Poet Guiseppe Giusti and His Times Susan Horner,1864 **The Mystery of the Tuscan Hills** Morris M. Weiss M. D.,Morris Weiss,2006-12 Dean Daniel Allen s Friday afternoon trip to Jackson s Hardware in downtown Jeffreysville for the mundane purchase of a deadbolt lock for his kitchen door becomes the prelude to ten days of momentous events Several members of the faculty as well as a number of students at DeMott University will never be the same after Dean Allen finds the beautiful Jeanette de Lorien in a piano practice room in the tower of the University Library finds her very dead indeed An unlikely detective only Dean Allen s sense of duty will keep him cooperating with the Campus Security and the Jeffreysville police Sometimes he will find himself caught in the crossfire between these two unacknowledged rivals in enforcement of the law At other times he will seem almost to be thwarting the police investigation when his loyalty to his faculty colleagues prevents him from telling the whole truth He also will find himself going out on his own in questionable attempts to follow his secretary s advice to solve a crime by knowing your victim Not only will he end up knowing the victim but he will learn a great deal about the lives of a number of the suspects and there are a surprising number of these in the quiet Midwestern town and on the conservative campus of DeMott University He also will find out a bit about himself leaving him surprised and quite pleased This book is not so much a typical murder mystery as it is a study of the people encountered in the story The basic premise of the author is that people s behavior is the result of the totality of the experiences of their lives Such behavior may not be condoned but it can be understood And a campus in a small Midwestern town can be the scene of just as much irrational aberrant or immoral behavior as may a more urban environment The setting gives the author opportunity to give the reader some insights into academic life on such a campus
