To those very few people who know Paul Trenton he is a nice quiet hardworking young artist who despite his extreme shyness seems well adjusted For Paul nothing could be farther from the truth His inner reality is a violent storm of fear anguish and severe self loathing He is a man plagued by the noise of a past he cannot quiet and enslaved to the self hating

monster that seethes within a monster spawned by the beast that calls itself his father and the ghost that calls itself his mother When Paul loses his position as a graphic artist in a New York advertising agency the one job he believed would help him climb from the morass of his mediocre life the blow proves to be too much Thrown into deep despair he turns to the only companions he believes he has ever had a tiny cigarette lighter and a straight razor Fire and steel for the monster covets pain above all things The monster's ritual is interrupted by Paul's neighbor Eddie an eighteen year old walking hormone who invites Paul to a new nightclub in the city He agrees to tag along because he knows that at the club he can have another date with the only mistress he has ever known alcohol The nightclub will be the perfect place for him to drink himself into oblivion and that is exactly what he plans to do Until the girl with the sapphire eyes comes dancing into his life Mesmerized by her incredible beauty alluring grace and their fateful stare Paul abandons his suicidal intention but finds himself in mortal peril anyway But he is rescued After his rescue life for him becomes very surreal He learns that this beautiful lady and her two male companions aren't from our neck of the woods In fact they aren't from our galaxy Who are they What do they want Why are they here on Earth He can hardly believe their outlandish plan and their intention for Paul to help Yet the girl with the sapphire eyes wants to help Paul first Thus begins Paul's quest to escape the conflicted monster he believes he has become which takes him from a dark alleyway to the height of the fashion world to a showdown with the beast that calls himself his father and the ultimate bloody confrontation with himself then onto the most profound event in human history All That Noise is a deeply introspective emotionally honest journey through one man's pain that is sometimes quirky but is a serious exploration into the tragic effects of child abuse on the human psyche This story confronts the permanence of pain mourns the loss of self and poignantly reminds us of what could have been yet ultimately reveals the responsibility of choice the necessity of forgiveness and the liberating power of love **Digest**, 1911 **Clément Marot and Religion** Dick

Wursten, 2010-05-20 Famous mainly for his chansons and epigrams the French poet Clément Marot 1496-1544 also supplied the texts for the Huguenot Psalter Did he only paraphrase the Psalms to do Marguerite de Navarre the leading lady of reform oriented France a favour or was there more to it This book offers a new approach to this question which has got stuck in a yes/no discussion A breakthrough is forced by the author's focussing on the Psalm paraphrases themselves which until now have never actually been included in Marot research Analysed from a multidisciplinary perspective the successive versions of these paraphrases reveal that Marot was interested in reaching a consistent literary and historically reliable versification of the Psalms thus implicitly questioning the traditional christological exegesis The author's perusal of Jewish exegetical insights Kimhi Ibn Ezra in Martin Bucer's Commentary shows where Marot acquired a satisfactory hermeneutical framework

Congo's Dancers Lesley Nicole Braun, 2023-01-24. Dance music plays a central role in the cultural, social, religious, and family lives of the people of the Democratic Republic of the Congo. Among the various genres popular in the capital city of Kinshasa, Congolese rumba occupies a special place and can be counted as one of the DRC's most well-known cultural exports. The public image of rumba was historically dominated by male bandleaders, singers, and musicians. However, with the introduction of the danseuse, professional concert dancer, in the late 1970s, the role of women as cultural, moral, and economic actors came into public prominence and helped further raise Congolese rumba's international profile. In *Congo's Dancers*, Lesley Nicole Braun uses the prism of the Congolese danseuse to examine the politics of control and the ways in which notions of visibility, virtue, and socio-economic opportunity are interlinked in this urban African context. The work of the danseuse highlights the fact that public visibility is necessary to build the social networks required for economic independence, even as this visibility invites social opprobrium for women. The concert dancer therefore exemplifies many of the challenges that women face in Kinshasa as they navigate the public sphere, and she illustrates the gendered differences of local patronage politics that shape public morality. As an ethnographer, Braun had unusual access to the world she documents, having been invited to participate as a concert dancer herself. Boston Home Journal, 1899.
