A Small Entity Compliance Guide

**United States. Congress. House.
Committee on the Judiciary.
Subcommittee on Commercial and
Administrative Law**

A Small Entity Compliance Guide:

Small Entity Compliance Guide, 2000 **Small Entity Compliance Guide for the Revised Respiratory Protection Standard** United States. Occupational Safety and Health Administration, 1998 Regulatory reform compliance guide requirement has had little effect on agency practices, 2001 Section 212 does not appear to have had much of an impact in the agencies and years that we examined and its implementation has varied across and sometimes within the agencies The statute gives agencies broad discretion to decide which of their rules require compliance guides what has to be in the guides how they are developed when they have to be published and how they are distributed to affected small entities Using that discretion an agency could legally exclude all of its rules from coverage by the statute designate a previously published document as its small entity compliance guide or develop and publish a guide with no input from small entities years after the covered rule takes effect Some of the ineffectiveness and inconsistency in the implementation of section 212 are traceable to the broad discretion provided to agencies in the RFA regarding the term significant economic impact on a substantial number of small entities Although a single rigid definition of this term may not be feasible we believe that some additional clarity can be provided Other problems with the compliance guide requirement are traceable to section 212 itself We offer suggestions on how Congress may wish to amend the statute to make clear when agencies must prepare a compliance guide under section 212 and the meaning of key terms in the statute *Producers' Compliance Guide for CAFO's*, 2003 Revised Interim Guidance for EPA Rulewriters United States. Environmental Protection Agency, 1999

FCC Record United States. Federal Communications Commission, 2016 **Federal Register**, 2013-02 Federal Register Index, 2010 *Interim Report on the Administrative Law, Process and Procedure Project for the 21st Century* United States. Congress. House. Committee on the Judiciary. Subcommittee on Commercial and Administrative Law, 2007
