A Soldier S Wind:

The Christian sentinel; or, Soldiers' magazine ,1866 **A Soldier of the Great War** Mark Helprin,2005-06-01 An Italian septuagenarian recounts his life before and after World War I in this novel from the author of *Paris in the Present Tense* For Alessandro Giuliani the young son of a prosperous Roman lawyer golden trees shimmer in the sun beneath a sky of perfect blue At night the moon is amber and the city of Rome seethes with light He races horses across the country to the sea and in the Alps he practices the precise and sublime art of mountain climbing At the ancient university in Bologna he is a student of painting and the science of beauty And he falls in love His is a world of adventure and dreams of music storm and the spirit Then the Great War intervenes Half a century later in August of 1964 Alessandro a white haired professor still tall and proud finds himself unexpectedly on the road with an illiterate young factory worker As they walk toward Monte Prato a village seventy kilometers distant the old man tells the story of his life How he became a soldier A hero A prisoner A deserter A wanderer in the hell that claimed Europe And how he tragically lost one family and gained another The boy is dazzled by the action and envious of the richness and color of the story and realizes that the old man s magnificent tale of love and war is more than a tale it is the recapitulation of his life his reckoning with mortality and above all a love song for his family A testimony to the indomitable human spirit Highly recommended Library Journal *Soldiers of Conquest* F.M. Winds of Destruction Karen Lykkebo, 2020-12-10 Twenty years have passed since the Lord of Life toppled the Wind Rebellion and ended the Great War Mareau Briss has since lived in the shadows at the edge of Litterra blinded by the grief of the death of his sister and drowning his shame in ale Once he could hurl the Wind to a hurricane of power Now he can barely walk home from the inn When the young Storm suddenly plummets from the skies claiming to be his niece Mareau is forced out of his slumber to reconcile with his past To finish the war his ancestors started and redeem himself from the battle once lost he must become what he always feared to be The Lord of Winds But the war Storm drags him back to is more than a fight for revenge over the Lord of Life To destroy a man who has conquered Life and controls the Spirits one might have to destroy the world itself for a chance to win With ancient forces begging to be released into the world the stakes are higher than ever and Mareau must use every bit of strength to not be blown away by the storm of war Embarking on a journey to redeem himself and his family he follows Storm into a fight that will bring him closer to the Spirits to Life and to utter destruction than he ever asked for For when the Wind is angry it gets a purpose and the Wind people whisper cannot be killed
