

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

C. Vann Woodward

James C. Cobb, 2022-09-01 With an epic career that spanned two thirds of the twentieth century C Vann Woodward 1908 1999 was a historian of singular importance A brilliant writer his work captivated both academic and public audiences He also figured prominently in the major intellectual conflicts between left and right during the last half of the twentieth century although his unwavering commitment to free speech and racial integration that affirmed his liberalism in the 1950s struck some as emblematic of his growing conservatism by the 1990s Woodward s vision still permeates our understandings of the American South and of the history of race relations in the United States Indeed as this fresh and revealing biography shows he displayed a rare genius and enthusiasm for crafting lessons from the past that seemed directly applicable to the concerns of the present a practice that more than once cast doubt on his scholarship James C Cobb offers many original insights into Woodward s early years and private life his long career and his almost mythic public persona In a time where the study and substance of American history are profoundly contested Woodward s career is replete with lessons in how myths about the past some created by historians themselves come to be enshrined as historical truth

Bilateral Vestibulopathy - Current Knowledge and Future Directions to Improve its Diagnosis and Treatment Bryan K. Ward, Alexander A.

Tarnutzer, 2018-11-02 Many patients with bilateral vestibulopathy experience chronic oscillopsia due to failure of the vestibulo ocular reflex and gait instability due to failure of vestibulo spinal reflexes There are numerous potential contributing factors however many cases remain idiopathic The diagnosis of bilateral vestibulopathy is often delayed placing patients at risk for unnecessary diagnostic tests and late initiation of treatment Novel diagnostic tests offer new opportunities to characterize patterns of vestibular impairment With the advent of new therapies there is urgency to define and better understand patients with bilateral vestibulopathy This collection includes topics such as an exploration of the large class of patients with bilateral vestibulopathy currently considered idiopathic by identifying novel pathophysiologic mechanisms Other topics include a historical perspective on early recognition the impact of bilateral vestibular impairment on quality of life and how advances in diagnostics are refining our understanding of what it means to have bilateral vestibulopathy New developments in treatment strategies for patients with bilateral vestibulopathy are also featured

Megaregulation Contested Benedict Kingsbury, David M. Malone, Paul Mertenskötter, Richard B. Stewart, Atsushi Sunami, Thomas Streinz, 2019 The Japan led Trans Pacific Partnership CPTPPA of 2018 is the most far reaching megaregional economic agreement in force with several major countries beyond its eleven negotiating countries also interested Still bearing the stamp of the original US involvement before the Trump era reversal TPP is the first instance of megaregulation a demanding combination of inter state economic ordering and national regulatory governance on a highly ambitious

substantive and trans regional scale Its text and ambition have influenced other negotiations ranging from the Japan EU Agreement JEEPA and the US Mexico Canada Agreement USMCA to the projected Pan Asian Regional Comprehensive Economic Partnership RCEP This book provides an extensive analysis of TPP as a megaregulatory project for channelling and managing new pressures of globalization and of core critical arguments made against economic megaregulation from standpoints of development inequality labour rights environmental interests corporate capture and elite governance Specialized chapters cover supply chains digital economy trade facilitation intellectual property currency levels competition and state owned enterprises government procurement investment prescriptions for national regulation and the TPP institutions Country studies include detailed analyses of TPP related politics and approaches in Japan Mexico Brazil China India Indonesia and Thailand Contributors include leading practitioners and scholars in law economics and political science At a time when the WTO and other global scale institutions are struggling with economic nationalism and geopolitics and bilateral and regional agreements are pressed by public disagreement and incompatibility with digital and capital and value chain flows the megaregional ambition of TPP is increasingly important as a precedent requiring the close scrutiny this book presents
