Ananias And Sapphira Coloring Page:

Apples of Gold in Pictures of Silver Dave Herr,2023-10-24 Maybe some people study prophecy for the thrill of the sensational like adrenaline addicts chasing the next sky dive rush Certainly promises given hundreds or thousands of years before their fulfillments are remarkable However sensationalism is not the intended purpose And some people may think that prophecy is an ancillary nonessential part of theology But the premise of this book is that God given prophecy has a far more profound purpose than sensationalism and plays an essential inseparable part in the gospel message Now if faith in Christ is all that is necessary for salvation why is prophecy essential The angel messenger who gave the Revelation to John answered that question The angel told John These are the true sayings of God Then John fell at the feet of the angel to worship him The angel responded See you do it not for I am your fellow servant and of your brethren who have the testimony of Jesus Worship God for the testimony of Jesus is the spirit of prophecy Rev 19 10 The angel explained that all prophecy connects to Jesus Intrinsic to Jesus is prophecy as is all scripture That which predicts or speaks of His divine and human nature His life and miracles His death and resurrection and His earthly and heavenly kingdom are all interconnected they are all a part of His story His testimony His person Therefore Christ is the unspoken basis for this specific blessing given to readers of the Revelation Blessed are they that read and hear the words of this prophecy and keep those things which are written in it for the time is at hand Rev 1 3 Though there is rich reward in every book of the Bible no other gives the aforementioned promise of blessing *Demorest's Monthly Magazine* ,1874 *Seventy-One Creative Bible Story Projects* Helen Gramelsbach,1983

The Intermediate World Luther Tracy Townsend,1878 **Judas Iscariot** Richard Harvey,2018-07-23 The name Judas Iscariot usually provokes a negative response as the disciple who betrayed his Lord to death It is difficult to think of another person dead for so long who is so closely associated with betrayal In recent times some commentators have urged a rethink on Judas arguing that he has been unfairly treated This book will show that the traditional picture of Judas as a traitor best fits the biblical evidence It also establishes two other points Firstly although Judas was a human being he had the literary features of an idol Secondly the earliest gospel Mark clearly establishes his guilt and Matthew and Luke show how uniquely guilty Judas was *NKJV Study Bible, Full-Color* Thomas Nelson,2018-11-20 With more than 2 million copies sold it is no secret that the NKJV Study Bible is a reliable guide for your journey into God's Word This beautiful full color Bible provides a complete resource for study including thousands of notes articles extensive cross references and features contributed by top evangelical scholars These multilayered study tools combined with the accuracy and clarity of the New King James Version make this Bible a perfect choice to help you understand and deeply engage with Scripture Features include Over 15 000 verse by verse study notes Bible times and culture notes Word studies with Strong's numbers Extensive cross reference system In text maps and charts Book introductions outlines and timelines Full length articles a concordance and color maps Clear and readable Thomas Nelson NKJV Comfort Print *Paul and His Letters* John B. Polhill,1999 Except for Christ

himself no figure has been more influential in the history of Christianity than the apostle Paul And yet his remarkable life remains shrouded in mystery In this probing new book John B Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought Using Acts the Pauline epistles and reliable traditions from non canonical sources Polhill weaves together the remarkable story of Paul s transformation from persecutor to persecuted producing a dynamic account of his entire ministry By placing each of Paul s letters in its proper historical context Polhill brings new light to these foundation stones of the Christian faith He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable resource for students teachers and pastors alike
