Teaching Online Simplified: A Quick Guide for Instructors (UM Press) Farrah Dina Yusop, 2018

The book *Teaching Online Simplified A Quick Guide for Instructors* intended to serve as a practical guide or handbook for those who have limited or no prior knowledge in teaching and or education but are interested in online teaching It is also intended for open university staff and lecturers who needs to teach online lecturers who teach or are planning to teach online courses in higher education settings lecturers who are interested to use technologies to support face to face teaching and faculty professional development workshops and trainings

The book is written based on the authors research based experiences in consulting online instructors on what they needed and wanted to know about designing online

courses Authors also interviewed a group of online students to understand what they liked and disliked about the way their current courses were conducted and what kind of improvements they wanted their online programs to include Hence this book focusing on the how and whys rather than theoretical discussions of teaching online This book is a much have resource for anyone involved in teaching online as it such as faculty members who want to convert his or her in class course to an online format and who are not necessarily familiar with current literature and or do not have time to get acquainted with online teaching as it translates research based knowledge in online education into simple strategies that can be easily adopted by teachers practitioners
