

ANC Branch Manual 2010

Shortened Version

CU Preface

This booklet version of the ANC Branch Manual has been prepared in July, 2013 to complement the booklet version of the ANC Gauteng Province Election Manual, so that both booklets can be used together in political education schools.

In the first place, the two booklets will be used, together with other material, in a half-day political school module.

The full ANC Branch Manual (2010) would fill approximately 76 pages in this booklet format. It has been reduced to 24 pages by eliminating duplications, including in the 2013 Election Manual; by removing forms; by removing some material of a social-welfare-advice nature; and by re-formatting to get more words into less space.

The full 2010 Branch Manual can be made available in electronic form, but for the half-day political school on “Induction, Campaign, Election” the full text will not be necessary. There will not be sufficient time to cover more than is included here.

As well as providing answers to questions about the ANC, the Branch Manual will assist comrades to appreciate the ANC in its totality and therefore to be able to place the 2014 Election as a whole in its proper, revolutionary context.

The ANC cannot be properly understood in isolation from the context of its alliance with its major partners, the SACP, COSATU unions and SANCO, or from the very many other organisations and structures that form the living collective body that the Liberation Movement represents. It is by understanding this mass base, rather than pitching the ANC as a product, that we can find its true and unfading strength and resilience.
