of Education,1989 The second statewide direct writing assessment was conducted for grade eight by the California
Assessment Program CAP in the spring of 1988 Each student wrote an essay in response to 1 of 45 prompts writing tasks
representing 6 types of writing autobiographical incident report of information problem solution evaluation story and
firsthand biography A total of 294 859 essays were scored at 6 regional scoring sites by 384 teachers this number includes a
5% sample of papers that was double scored for reliability studies Approximately 96% of the students who took the essay test
comprehended the writing tasks and responded to the topic Scores were assigned for rhetorical effectiveness special
features such as coherence or elaboration and conventions Results revealed that most students wrote adequate or marginally
adequate essays 62% some wrote exceptionally well 12% and others wrote poorly 22% Eighth graders were most competent
at reporting information less competent at writing autobiography and firsthand biography and least able to write a story and
to produce the two kinds of persuasive writing Also students exhibited better control of conventions than of rhetorical
strategies Overall students scores increased Recommendations for school administrators teachers and parents are included
