And Tango Makes Three:

And Tango Makes Three Justin Richardson, Peter Parnell, 2005-06 At New York City's Central Park Zoo two male penguins fall in love and start a family by taking turns sitting on an abandoned egg until it hatches Based on actual events

Richardson, Peter Parnell, 2010-11-16 In the zoo there are all kinds of animal families But Tango's family is not like any of the others

Miseducation A. J. Angulo, 2016-04-01 A provocative collection that explores how intentional ignorance seeps into formal education Honorable Mention for the PROSE Education Theory Award of the Association of American Publishers Ignorance or the study of ignorance is having a moment Ignorance plays a powerful role in shaping public opinion channeling our politics and even directing scholarly research The first collection of essays to grapple with the historical interplay between education and ignorance Miseducation finds ignorance and its social production through na vet passivity and active agency at the center of many pivotal historical developments Ignorance allowed Americans to maintain the institution of slavery Nazis to promote ideas of race that fomented genocide in the 1930s and tobacco companies to downplay the dangers of cigarettes Today ignorance enables some to deny the fossil record and others to ignore climate science A J Angulo brings together seventeen experts from across the scholarly spectrum to explore how intentional ignorance seeps into formal education Each chapter identifies education as a critical site for advancing our still limited understanding of what exactly ignorance is where it comes from and how it is diffused maintained and regulated in society Miseducation also challenges the notion that schools are ideally unimpeachable sites of knowledge production access and equity By investigating how laws myths national aspirations and global relations have recast and at times distorted the key purposes of education this pathbreaking book sheds light on the role of ignorance in shaping ideas public opinion and policy

Hollywood or History? Lisa K. Pennington, Donna Fortune, Mary E. Tackett, Paige Horst, Meghan A. Kessler, 2024-09-01 Teaching and learning through Hollywood or commercial film and television productions is anything but a new approach and has been something of a mainstay in the classroom for nearly a century However purposeful and effective instruction through film is not problem free and there are many challenges that accompany classroom applications of Hollywood motion pictures In response to the problems and possibilities associated with teaching through film we are developing a collection of practical classroom ready lesson ideas that might bridge gaps between theory and practice and assist teachers endeavoring to make effective use of film in their classrooms We believe

that film can serve as a powerful tool in the social studies classroom and where appropriately utilized foster critical thinking and civic mindedness The NCSS College Career and Civic Life C3 framework represents a renewed and formalized emphasis on the perennial social studies goals of deep thinking reading and writing We believe that as teachers endeavor to digest and implement the platform in schools and classrooms across the country the desire for access to structured strategies that lead to more active and rigorous investigation in the social studies classroom will grow increasingly acute Our hope is that this edited book might play a small role in the larger project of supporting practitioners specifically K 6 teachers of social studies content by offering a collection of classroom ready tools based on the Hollywood or History strategy and designed to foster inquiry through the careful use of selected motion pictures and television productions **Writing Strategies for All**

Radhhika, 2022-09-16 Despite the empowering pride culture that has evolved globally in the past half century the LGBTQAI community continues to face widespread discrimination They are often subjected to cruelty and discrimination and are the bearers of a heavy psychological burden and frustration that stems from not coming out and expressing their concerns freely Today the invisibility of this community and its concerns have become enormous challenges for the world as their interests often go unrepresented and unaddressed by governments due to various barriers Global LGBTQ Concerns in a Contemporary World Politics Prejudice and Community considers the harsh realities of the LGBTQAI community and draws attention to key issues such as violation of their rights and disparities in access to basic amenities such as healthcare employment and security Covering key topics such as inclusion mental health queer communities and human rights this reference work is ideal for activists advocates politicians sociologists gender studies specialists policymakers government officials industry professionals researchers scholars academicians practitioners instructors and students

The Limits of Liberty Sarah Conly, 2025 Liberty in itself has no value Whether liberty matters depends on what state of affairs the liberty in question produces or allows That is when liberty is valuable it is valuable only as a means to an end If a specific liberty no longer produces a net valuable end that has no value and there is no reason to preserve it If a person or people's having a liberty does too much harm that liberty needs to be curtailed and the loss of that liberty is not the loss of anything of value Provided by publisher

Teaching for Democracy in an Age of Economic Disparity Cory Wright-Maley, Trent Davis, 2016-07-01 Teaching for Democracy in an Age of Economic Disparity addresses the intersections between democratic education and economic inequality in American society Drawing upon well established theoretical constructs in the literature on democratic citizenship as well as recent events this volume outlines the ways in which students can not only be educated about democracy but become actively engaged in the social issues of their time The collection begins with an examination of how the confluence of capitalism and education have problematized the current model of democratic education before transitioning into discussions of how teachers can confront economic disparity both economically and civically in the classroom The authors then introduce a variety of ways in which teachers can engage and empower students civic action at all grade levels As a final component the volume explores new avenues for civic action including the use of social media for

democratic engagement in schools and opportunities for critical reflection and cross cultural dialogue This book is a valuable resource for both scholars interested in the research on democratic education and practicing teachers wishing to turn their students into critical active citizens
