Angels Presenting Tithe:

Angels Presenting Tithe Memory Nduna, 2014-05-17 Tithe is one of the most debated topics in and outside the Church. It is a topic that has brought dissention among brethren with some arguing that tithe was an Old Testament ordinance that ceased with the coming of Christ while others argue that tithe is one of those few ordinances of the Old Testament that was carried on to the New Testament. There are multiple perspectives to this topic besides these two. The purpose of this book is to share an out of body experience that I had in 2013. The Lord instructed me to share this experience but zooming in more on the subject of TITHE to help others understand the will of God concerning tithe in the New Testament. **Perspectives on Tithing** David A. Croteau, 2011-05 David A Croteau Ken Hemphill Bobby Eklund Reggie Kidd and Gary North debate the varying views on how Christians are to give of their financial resources addressing the myriad of questions surrounding the complex issue. **Blessed Generation (First Edition): Unveiling Jesus In The Tithe** Kenny Mokoena, 2017-11-30 In this book you will discover The truth about giving as God originally intended it to be that once you are born again you do not need to do anything else to earn the blessing of God that you do not tithe to be blessed but you tithe because you are blessed that you do not give to get but you get to give. You will discover the connection between the tithe and the Holy Communion. After reading this book you will be empowered to give out of freedom as a ministry assignment and to increase the fruits of your righteousness. You will learn how Jesus gave His views concerning giving and how you can approach giving as He did. This book unveils Jesus as the Tithe the First fruits and the Ultimate Offering. Everything you need to know about giving and how to enjoy the blessing of God apart from works is contained in this book. **Ladder** Marshall Spurling, 2006-10 According to Spurling if there were one thread that God used to weave throughout the scriptures that thread would have to be the ladder between heaven and earth. The ladder extends blessings from God's throne. Tithing in the New Testament and the Christian Church Angel M Rodriguez, TITHING IN THE NEW TESTAMENT AND THE CHRISTIAN CHURCH STW 1070 by Angel Rodriguez former Director of the Biblical Research Institute. Tithes and Offerings G. Davis Dean, Jr., 2014-10-15

Tithes and Offerings Perspectives on Christian Giving is the result of a suggestion made to the author by a close Christian friend and consultant His reasoning was that although there are many books on the Christian tithes and offerings they are overwhelmingly legalistic or moralistic Such appeals have often been based upon the popular though false health and wealth gospel This suggestion led the author to consider and examine not only points of conservative church doctrine as they may be applied to the subject but to incidents in Scripture that involved the act of giving This in turn led the author into a research and analysis of the historical and cultural context of the exchange and the profile and life situation of the personages involved in it The final matter to come out of all this reconstruction was to put a flesh and bone humanity upon personages most people only know from Scripture by their names and the deeds associated with them But more in regard to the act of giving there is the considering of what the act meant to them personally and to translate this very human meaning to Christian giving among believers even today
