Focus On: 100 Most Popular English Songwriters Wikipedia contributors, **The Folk Lore and Provincial Names of British Birds** Charles Swainson,1886 **A Metrical Version of The Acharnians The Knights and The Birds** Aristophanes,1840 **A Metrical Version of the Acharnians, the Knights, and the Birds, with Occasional Comment** Aristophanes,1886 Passion-Driven Education Connor Boyack,2016-08-16 Do you need parenting advice on how to inspire your child to love learning Whether you homeschool or send your kids to public or private school this is essential reading for your situation Why Because schooling has become a disaster Your child s interests and uniqueness are disregarded and structured curriculum and standards like Common Core place them on a conveyor belt that treats all children the same This system crushes a child s curiosity Your child deserves better There is a better way one that ensures your child sees learning as a joy and provides you the parent with a much less stressful way to educate and empower your son or daughter In this book Connor Boyack shares the exciting philosophy and empowering day to day steps involved in passion driven education A child s curiosity and natural desire to learn are like a tiny flame easily extinguished unless it s protected and given fuel This book will help you as a parent both protect that flame of curiosity and supply it with the fuel necessary to make it burn bright throughout your child s life Let s

ignite our children's natural love of learning Five Things Discussed in the Book What's the problem with schools Whether public private or home schooling is structured in a way that has significant negative outcomes for children academically psychologically and emotionally To understand the solutions you first need to review these problems What's your goal Too many parents simply send their children to school out of ritual and expectation without thinking about the end result Caring parents must ponder the outcomes of education and what they want their children to become Once goals are established we can make a plan I need solutions It's easy to point out problems with schooling It's more important that we review serious and attainable solutions that can help you educate your child and preserve or restore their natural love of learning What are the alternatives If schools are inherently problematic and crush a child's curiosity what can be done We'll review several differing approaches to education that incorporate some of the solutions listed earlier Passion driven education The best way to educate a child is to speak to them in a language they already understand using their personal interests as a hook to make other subjects interesting and relevant We'll review some examples and then give you an action plan
