Tell the truth As former Dean of a University Business School I wish to commend you for the great service you have
performed in creating these materials I found them to be informative stimulating very helpful You communicate well create a
can do atmosphere Jim Alexander PH D **Listening** Judi Brownell,2005 The new Third Edition of this text encourages
students to view listening as a process involving six interrelated components Each component is developed along the parallel
dimensions of theory and skill building Within the unifying theoretical framework of the HURIER model students not only
develop an understanding of the listening process they also acquire specific observable listening skills This behavioral
approach enables students to increase their listening effectiveness while developing an understanding of listening related
research and theory The impact of culture technology and globalization is also explored Ethical questions are raised through
sidebars and students are challenged to consider the responsibilities associated with listening behavior Extensive self
assessment instruments individual and group activities and case studies further distinguish this engaging text Students
readily recognize the important role listening plays in their daily lives and acquire strategies to improve their listening
behavior New to the Third Edition The new edition has an increased emphasis on listening purpose and context as variables
in determining which components of the HURIER model will be most important for listening effectiveness The increased
emphasis will move students from skill development to how skills are applied to achieve desired results A new section on
Emotional Intelligence now appears in Chapter 6 showing its relevance to interpreting messages and explaining how
emotional intelligence can improve listening skills A new section on appreciative listening appears in Chapter 3 to help
students respond to today s stressful environment and the need for approaches to relaxation Because the rapid increase in
technology has changed the way we listen more coverage on listening and technology has been added throughout the text
The new edition has been thoroughly updated with current research and new examples to provide the most recent
information available Praise for Listening Attitudes Principles and Skills This text includes fabulous activities and application
