

A Rose For Emily

1. The setting in this story promotes mystery by the way it changed Miss. Emily. After her father died, Emily wouldn't leave her house. The once proper and clean young girl became distant among all, and wouldn't step a foot outside. She closed the entire top floor of her house, just to preserve it for a dead man that she believed was still alive.
2. Emily Grierson, Homer Barron, Judge Stevens, Mr. Grierson, Tobe, the Baptist minister and his wife, Colonel Sartoris, the druggist, Miss Emily's cousins, Wyatt, and the townspeople are the characters in this story.
3. The setting played a role of death in this story. Miss Emily and her family grew old and died together in that house, and as Emily died, the house died with her by decaying and rotting.
4. Emily Grierson has just passed, and the townspeople are attending her funeral. Emily was an old lady that didn't adjust well to change, and held onto the past. Emily's father passed away, and she was now only seen with Homer Barron. One day Homer walked in and never came out, so at her funeral, the people found a closed room that had Homer's body, lying next to an indented pillow with a piece of Emily's hair.
5. "After her father's death she went out very little; after her sweetheart went away, people hardly saw her at all." This moment of dialogue helped me understand why Emily shut out the world. The people she cared about most had all passed away, so she had a difficult time dealing with grief. Instead of dealing with it properly, she chose not to accept what had occurred.
