Dharma of the Dead Christopher M. Moreman,2018-07-10 With the increased popularity of zombies in recent years scholars have considered why the undead have so captured the public imagination This book argues that the zombie can be

viewed as an object of meditation on death a memento mori that makes the fact of mortality more approachable from what has been described as America's death denying culture The existential crisis in zombie apocalyptic fiction brings to the fore the problem of humanity's search for meaning in an increasingly global and secular world Zombies are analyzed in the context of Buddhist thought in contrast with social and religious critiques from other works Survive Your Drive: A Survival Guide for Driving in the New Millenium Richard H. Freer,2003-09 Skewed Views Too continues Roy Schlemme's cartoon exploration of our human faults and foibles Using everything from wry wit to out and out broad slapstick he intelligently takes the reader on a rambling merry journey Beginning at times with the most bizarre of premises Schlemme quickly cajoles even the most somber of us into forgetting our personal problems and laughing out loud at the adventures of his eccentric cast of zanies Unlike other more traditional cartoonists who generally of necessity work small and simple Schlemme utilizes the larger page along with a more detailed drawing style to enhance the final effect upon readers There's no single theme from one vignette to the next but rather a lively bouncing around certain to capture even the most humor resistant of us Skewed Views Too with over 150 humorous situations is sure to find itself one of the more appealing gift giving ideas and entertaining book options around *The Richer Sex* Liza Mundy,2013-03-19 A revolution is under way Within a generation more households will be supported by women than by men In this book the author takes us to the frontier of this new economic order She shows us why this flip is inevitable what painful adjustments will have to be made along the way and how both men and women will feel surprisingly liberated in the end Couples today are debating who must assume the responsibility of primary earner and who gets the freedom of being the slow track partner With more men choosing to stay home she shows how that lifestyle has achieved a higher status and the ways males have found to recover their masculinity And the revolution is global she takes us from Japan to Denmark to show how both sexes are adapting as the marriage market has turned into a giant free for all with men and women at different stages of this transformation finding partners who match their expectations This book is an analysis of the most important cultural shift since the rise of feminism the coming era in which women will earn more than men and how this will change work love and sex God in Public Mark G. Toulouse,2006-01-01 In this important study Mark Toulouse maps the ambiguous landscape between American Christianity and American public life Built on an extensive study of religious periodical literature since the mid 1950s and on an analysis of landmark events in American history Toulouse develops an insightful typology for understanding how Americans have related their Christian faith to public life For Toulouse the relationship between American Christianity and American public life exists in four styles of interaction iconic faith priestly faith the public Christian and the public church with each model appearing in various forms across the terrain of American history Carefully examined and accessibly written this study is sure to generate discussion and bring clarity to the many ambiguities and diversities that continue to mark American Christianity *The Newbie Author's Survival Guide* A.K.
