A Walk In The Snark:

Walk in the Snark Rachel Thompson, The Cruise of the Snark Jack London, 2019-06-17 This vintage text contains Jack London's 1911 non-fictional work *The Cruise of the Snark*. It is a fabulously illustrated book that chronicles his sailing adventure in 1907 across the south Pacific. London taught himself celestial navigation and the basics of sailing during the course of this adventure and describes these details to the reader. This text will appeal to fans and collectors of London's work and it would make for a great addition to collections of sailing literature. John Griffith Jack London 1876-1916 was a famous American author, journalist, and social activist. Many antiquarian books like this are increasingly scarce and expensive, and it is with this in mind that we are republishing this volume now in an affordable, high-quality modern edition. It comes complete with a specially commissioned biography of the author. *The Oxford Companion to Children's Literature* Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books. A fascinating reference guide to the world of children's literature, this volume covers every genre from fairy tales to chapbooks, school stories to science fiction, comics to children's hymns. **The Snark Puzzle Book** Martin Gardner, 1973
