

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Twenty Years of Education Transformation in Gauteng 1994 to 2014 Maringe, Felix, Prew, Martin, 2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book's chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years Ocean Mining Report, 1982 *Democratic Evaluation and Democracy* Donna Podems, 2017-02-01 Democratic evaluation brings a way of thinking about evaluation's role in society and in particular its role in strengthening social justice Yet the reality of applying it and what happens when it is applied particularly outside the West is unclear Set in South Africa a newly formed democracy in Southern Africa the book affords an in depth journey that immerses a reader into the realities of evaluation and its relation to democracy The book starts with the broader introductory chapters that set the scene for more detailed ones which bring thorough insights into national government local government and civil societies experience of evaluation democratic evaluation and their understanding of how it contributes to strengthening democracy or not A teaching case the book concludes by providing guiding questions that encourage reflection discussion and learning that ultimately aims to inform practice and theory *Learning, Marginalization, and Improving the Quality of Education in Low-income Countries* Daniel A. Wagner, Nathan M. Castillo, Suzanne Grant Lewis, 2022-02-21 Improving learning evidence and outcomes for those most in need in developing countries is at the heart of the United Nations Sustainable Development Goal on Education SDG4 This timely volume brings together contributions on current empirical research and analysis of emerging trends that focus on improving the quality of education through better policy and practice particularly for those who need improved learning at the bottom of the pyramid LBOP This volume brings together academic research experts government officials and field based practitioners National and global experts present multiple broad thematic papers ranging from the effects of migration and improving teaching to the potential of educational technologies and better metrics for understanding and financing education In addition local experts practitioners and policymakers describe their own work on LBOP issues being undertaken in Kenya India Mexico and Ivory Coast The contributors argue persuasively that learning equity is a moral imperative but also one that will have educational

economic and social impacts They further outline how achieving SDG4 will take renewed and persistent effort by stakeholders to use better measurement tools to promote learning achievement among poor and marginalized children This volume builds on the second international conference on Learning at the Bottom of the Pyramid LBOP2 It will be an indispensable resource for policymakers researchers and government thinktanks and local experts as well as any readers interested in the implementation of learning equity across the globe The first volume Learning at the Bottom of the Pyramid LBOP1 may be obtained at <http://www.iiep.unesco.org/en/learning-bottom-pyramid> 4608
