It has been put in place to increase your mobility; it can also be used to support your warm-ups and cool-downs. To aid your training, we also included a series of tables to create your lifting percentages. These tables will help you work out your working percentages from 40% to 95%. The tables are broken down into 5% loads, all in kilograms, ranging from 10kg to 300kg. All programmes by DS Performance are 12 weeks in duration; we recommend that you do two six-week training blocks with a de-loading week between the two training blocks.
