Sample Questions

Regular Print Paper-Based Accommodation

The intent of these sample test materials is to assist teachers and students in the types of questions on the Algebra 1 EOC Assessment. By using these materials, students who will use the regular print paper-based accommodation will become familiar with the types of items and response formats they will see on the paper-based forms of the test. The computer-based forms of the Algebra 1 EOC Assessment, in which responses are given directly using the computer interface, do not require paper-based forms. Students respond to the same items by filling in their answers on a grid.

The sample questions and answers are not intended to demonstrate the length of the actual test, nor should student responses be used as an indicator of student performance on the actual test. Additional information about test items can be found on the Algebra 1 EOC Assessment Test Item Specifications at <http://flnwp.org/assessment>.

The Algebra 1 EOC Assessment and sample questions and answers are based on the 2007 Florida Curriculum Framework State Standards.

The regular print paper-based accommodation sample questions and the sample answers are only available online at <http://flnwp.org/eaoc>. Computer-based practice tests (ePTs) are available online at www.flnwp.org/eaoc/ePT.
