The Sphinx ,1921 True Tales of a Traveller Volume One Alix Lee, The True Tales of a Traveller series of short stories and novellas consists of several dozen real life travellers tales covering three and a half decades Although presented in a short story format for reading convenience these stories are not fiction Apart from some of the characters names which have been changed to protect their identities everything in these stories is true The first of this series of stories Goodbye Sinai is set in 1982 at the time of Israel s return of the Sinai peninsula to Egypt during my time working as a volunteer on a kibbutz in the nearby Negev desert This is the story of a hitchhiking trip to the southern tip of the Sinai As well as being a lesson to be mentally prepared for possible hardships when hitchhiking and to keep an open mind and disregard stereotypes when dealing with the people you meet it also provides a glimpse into life in the region as the Israelis were pulling out The second of this series of stories Working Holiday is set in a hotel just outside Athens Greece in 1982 where I worked with two friends from the Israeli kibbutz A seemingly perfect working holiday turns into a very difficult situation as it becomes apparent that the hotel manager does not pay his employees A showdown with the manager over pay results in him pulling a gun on us The hotel was still in operation at the time of this book s publication The third of this series of stories The Long Way Home is set in not one but half a dozen European countries in 1982 and 1983 At over 17 000 words this story is a short novella In addition to being a travel story The Long Way Home is also a love story and a story about the unexpected twists and turns that can occur in personal relationships The fourth story in the series Alternative Medicine is set mostly in Greece and Egypt in 1983 At around 13 000 words this is a lengthy short story which may need more than one sitting As well as being a travel story Alternative Medicine is also a story about career hopes delusions expectations and opportunities The fifth story A Career in Travel is at nearly 40 000 words a substantial novella length account set mostly in Britain in 1984 The story is about a young traveller s attempt to integrate his love for travel into a regular settled lifestyle in London Although humorous in places this is also a thought provoking story that goes to the heart of what it means to be a traveller the differences and similarities between a traveller and a tourist the differences and similarities between a traveller and an immigrant and a traveller s place in society Travel in the British Isles and a number of nearby countries is related as the traveller tries hard to come to terms with self imposed travel limitations and the challenges of settling down into a more sedentary and hopefully matrimonial life Like the other stories in the series it provides not only an entertaining read but also information on all the places visited some relevant only to the era in which the story is set but most still relevant at the time
