s man covers himself with fig leaves called crime theft murder rape and domestic violence to name a few They end up incarcerated imprisoned and extricated from the place of purpose Today s man hides from child support or they hide themselves from the child and family altogether Some become career criminals effectively wasting their lives away All too often men seem to seek and discover ways to be absent When he does not fix the problem the problem fixes him What he will not control begins to control him What he refuses to master now masters him and thus begins the societal reality and the sad plight of fatherless young men Women are left alone to rear and train and to raise them God asked the question Adam where art thou So with the same intention of calling men out of obscurity and into accountability and presence I now also ask Men where are you
