Language Learning with Digital Video Ben Goldstein, Paul Driver, 2014-10-30 Language Learning with Digital Video is an ideal resource for teachers and trainee teachers who are interested in using video content in their classroom

Learning Strategies in Second Language Acquisition J. Michael O'Malley, Anna Uhl Chamot, 1990-02-23 A review of the literature on learning strategies describing and classifying learning strategies in second language learning

Key Topics in Second Language Acquisition Vivian Cook, David Singleton, 2014-04-03 This textbook offers an introductory

overview of eight hotly debated topics in second language acquisition research. It offers a glimpse of how SLA researchers have tried to answer common questions about second language acquisition rather than being a comprehensive introduction to SLA research. Each chapter comprises an introductory discussion of the issues involved and suggestions for further reading and study. The reader is asked to consider the issues based on their own experiences thus allowing them to compare their own intuitions and experiences with established research findings and gain an understanding of methodology. The topics are treated independently so that they can be read in any order that interests the reader.

English Language Learners: Vocabulary Building Games & Activities, Ages 4 - 8 Seberg, 2010-05-18. Instill a love of language in English Language Learners in grades PK 3 using Vocabulary Building Games and Activities. This 240 page book helps students build vocabulary to become successful English speakers. It provides dozens of strategies for teaching new words through storytelling, songs and pictures, books and includes more than 1 000 reproducible picture and word cards with a guide for selecting the appropriate words. The book also includes tips for supporting young English learners.

Translation and Own-language Activities Philip Kerr, 2014-03-27. Practical ideas for using students own languages within the language classroom.

Foreign and Second Language Learning William Littlewood, 1984-04-26. The relevance of language acquisition to the day to day concerns of teaching and learning languages.

Pictures for Language Learning Andrew Wright, 1989-11-16. This richly illustrated book provides a valuable guide to the role of pictures and other visual materials in language teaching. It brings together a wealth of ideas on how to use pictures in a wide range of language learning situations. The first section discusses the contribution visuals can make to all the classroom settings in providing real opportunities for students to communicate whether they are working as a class in groups or in pairs. Sections B and C contain over 200 practical suggestions for picture generated language work. These make use of visual materials which are readily available to teachers anywhere or illustrations which have been kept simple so that they can be copied easily. The activities can be integrated into all stages of the language teaching process and advice is given on how to adapt the ideas to suit different teaching environments. The final section describes the process of setting up a picture library and offers guidance on where to begin looking for visuals, how to categorise pictures and different methods of storage.
