Western Review, 1966

American Book Publishing Record, 2000-07

Anthem Ayn Rand, 2023-03-22: Anthem takes place in a dark dystopian future. Collectivism and socialist economics have driven mankind to a technological standstill. The individual is not acknowledged in this society; the word "I" having been eliminated from speech altogether. Rand explores the tension between collectivism and individualism and equates the errors or triumphs of these with socialism and capitalism. As part of our mission to publish great works of literary fiction and nonfiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the amazing works of long-dead and truly talented authors.

A Companion to Ayn Rand Allan Gotthelf, Gregory Salmieri, 2016-02-23: The first volume to offer a comprehensive scholarly treatment of Rand's entire corpus, including her novels, her philosophical essays, and her analysis of the events of her times, this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized. The first publication to provide an in-depth scholarly treatment ranging over the whole of Rand's corpus, it provides informed contextual analysis for scholars in a variety of disciplines. Presents original research on unpublished material and drafts from the Rand archives in California. Features insightful and fair-minded interpretations of Rand's controversial positions.
