Anti Citizen Ship In Organization:

Women, Migration and Citizenship Alexandra Dobrowolsky, 2016-02-17 Given the recent and rapid changes to migration patterns and citizenship processes this volume provides a timely compelling empirical and theoretical study of the gendered implications of such developments More specifically it draws out the multiple connections between migration and citizenship concerns and practices for women The collection features original research that examines women s diverse im migrant and refugee experiences and exposes how gender ideologies and practices organize migrant citizenship in its various dimensions at the local national and transnational levels The volume contributes to theoretical debates on gender migration and citizenship and provides new insights into their interrelation It includes rich case studies that range from the Philippines and Somalia to the Caribbean and from Australasia to Canada and Britain Designed to have a multidisciplinary appeal it is suitable for courses on migration diversity gender race ethnicity law and public policy comparative politics and international relations

The Promise of Youth Anti-Citizenship Kevin L Clay, Kevin Lawrence Henry, 2024-05-28 When inclusion into the fold of citizenship is conditioned by a social group s conceit to ritual violence humiliation and exploitation what can anti citizenship offer us The Promise of Youth Anti citizenship argues that Black youth and youth of color have been cast as anti citizens disenfranchised from the social political and economic mainstream of American life Instead of asking youth to conform to a larger societal structure undergirded by racial capitalism and antiblackness the volume s contributors propose that the collective practice of anti citizenship opens up a liberatory space for youth to challenge the social order The chapters cover an array of topics including Black youth in the charter school experiment in post Katrina New Orleans racial capitalism the queering of ethnicity and the 1980s Salvadoran migration to South Central Los Angeles the notion of decolonizing classrooms through Palestinian liberation narratives and more Through a range of methodological approaches and conceptual interventions this collection illuminates how youth negotiate and exercise anti citizenship as forms of either resistance or refusal in response to coercive patriotism cultural imperialism and predatory capitalism Contributors Karlyn Adams Wiggins Portland State U Ariana Brazier Julio Cammarota U of Arizona Michael Davis U of Wisconsin Madison Damaris C Dunn U of Georgia Diana Gamez U of California Irvine Rachel F G mez Virginia Commonwealth U Luma Hasan Gabriel Rodriguez Iowa State U Christopher R Rogers U of Pennsylvania Damien M Sojoyner U of California Irvine

Organisational Justice and Citizenship Behaviour in Malaysia Hooi Lai Wan,2015-12-22 This book presents the current state of knowledge concerning developments in organisational behaviour and human capital management in the new millennium It features an in depth study among managerial staff in the manufacturing sector in Malaysia to reflect employee perceptions of organisational justice organisational citizenship behaviour job satisfaction and manager employee exchanges Specifically it seeks to establish the relationships between these constructs to better manage human capital With globalisation and the increased career mobility of young talents organisational citizenship behaviour is of paramount importance in order to retain these workers The study s greatest contribution is its identification of key indicators

that influence organisational citizenship behaviour Knowing which type of organisational justice is salient for each construct allows the management to proactively improve conditions at the workplace In essence this book is intended to draw attention to those aspects of managing human capital that ought to receive the most attention but are often overlooked in practice In light of ongoing global challenges it seeks to improve governance at the workplace It offers a valuable resource for researchers and practitioners alike as well as graduate students writing their dissertations

Organizational Citizenship Behavior and Contextual Performance Walter C. Borman, Stephan J. Motowidlo, 2014-02-24 These articles describe ideas about contextual performance organizational citizenship behavior OCB and similar patterns of behavior that have been developed by scholars working from very different research traditions It seems that the different research traditions are converging on the same notion that besides formal job requirements other patterns of behavior are also critical for organizational effectiveness and survival These other patterns of behavior have been relatively ignored until recently but now scholars are trying to define them determine exactly why and how they are important for organizations and identify their antecedents The results of these research efforts described by articles in this issue will help to make it possible to develop new conceptual and practical tools for managing these important behaviors and in that way promote human performance and organizational effectiveness
