Reading Into Writing Eric Gould, 1983 **Reducing Gun Violence in America** Daniel W. Webster, Jon S. Vernick, 2013-01-28 Outstanding Academic Title Choice Magazine The staggering toll of gun violence which claims 31 000 U S lives each year is an urgent public health issue that demands an effective evidence based policy response The Johns Hopkins University convened more than 20 of the world s leading experts on gun violence and policy to summarize relevant research and recommend policies that are both constitutional and have broad public support Collected for the first time in one volume this reliable empirical research and legal analysis will help lawmakers opinion leaders and concerned citizens identify policy changes to address mass shootings along with the less publicized gun violence that takes an average of 80 lives every day Selected recommendations include Background checks Establish a universal background check system for all persons purchasing a firearm from any seller High risk individuals Expand the set of conditions that disqualify an individual from legally purchasing a firearm Mental health Focus federal restrictions on gun purchases by persons with serious mental illness on the dangerousness of the individual Trafficking and dealer licensing Appoint a permanent director to ATF and provide the agency with the authority to develop a range of sanctions for gun dealers who violate gun sales or other laws Personalized guns Provide financial incentives to states to mandate childproof or personalized guns Assault weapons and high capacity magazines Ban the future sale of assault weapons and the future sale and possession of large capacity ammunition magazines Research funds Provide adequate federal funds to the Centers for Disease Control and Prevention National Institutes of Health and National Institute of Justice for research into the causes and solutions of gun violence The book includes an analysis of the constitutionality of many recommended policies and data from a national public opinion poll that reflects support among the majority of Americans including gun owners for stronger gun policies Vote Gun Patrick J. Charles, 2023-05-02 Today gun control is one of the most polarizing topics in American politics However before the 1960s positions on firearms rights did not necessarily map onto partisan affiliation What explains this drastic shift Patrick J Charles charts the rise of gun rights activism from the early twentieth century through the 1980 presidential election pinpointing the role of the 1968 Gun Control Act Gun rights advocates including the National Rifle Association had lobbied legislators for decades but they had cast firearms control as a local issue After the assassination of President John F Kennedy in 1963 spurred congressional proposals to regulate firearms gun rights advocates found common cause with states rights proponents opposed to civil rights legislation Following the enactment of the Gun Control Act lawmakers on both sides of the aisle began to stake out firm positions Politicians including Richard Nixon and Ronald Reagan recognized the potential of gun control as a wedge issue and gun rights became increasingly tied to the Republican Party Drawing on a vast range of archival evidence Charles offers new insight into the evolution of the gun rights movement and how politicians responded to anti gun control hardliners He examines in detail how the National Rifle Association reinvented itself as well as how other advocacy

groups challenged the NRA's political monopoly Offering a deep dive into the politicization of gun rights *Vote Gun* reveals the origins of the acrimonious divisions that persist to this day *Process and Structure in Composition* Barbara Fine
