The Bardo of Waking Life Richard Grossinger, 2011-05-31 An avant garde set of improvisational essays Richard Grossinger s *The Bardo of Waking Life* is a meditation on the Tibetan Buddhist bardo realm which in popular culture is viewed as the bridge between lives the state people enter after death and before rebirth This book examines waking life and its history and language as if it were a bardo state rather than ultimate reality and thus seeks a context for life and dreams even as it addresses more mundane issues including genetic theory the war in Iraq and George W Bush s presidency North Korea advertising global warming Prison Industrial Culture childhood trauma even country western music Written with playfulness and precision Bardo takes a new probing approach to all the important questions of creation destruction and existence In these intellectual field notes Grossinger proves thematically fearless as he crosses quantum mechanics with totemic hexes and draws transcendental insight from the ephemeral space time we call daily life If as Tibetan cosmology holds true all conditional realms are bardos then the state we all share is nothing less than the bardo of waking life

The Hundred Thousand Songs of Milarepa , 2017-09-05 An authoritative new translation of the complete Hundred Thousand Songs of Milarepa the teaching songs and stories from Tibet s most beloved Buddhist yogi poet and saint Powerful and deeply inspiring there is no book more beloved by Tibetans than *The Hundred Thousand Songs* and no figure more revered than Milarepa the great eleventh century poet and saint An ordinary man who through sheer force of effort faith and perseverance overcame nearly insurmountable obstacles on the spiritual path to achieve enlightenment in a single lifetime he stands as an exemplar of what it is to lead a spiritual life Milarepa a cotton clad yogi wandered and taught the dharma most famously through spontaneously composed songs a colorful and down to earth way to convey the immediacy and depth of the Buddhist teachings In this work the songs are woven into a narrative that tells the stories of his most famous encounters with his students including Gampopa and Rechungpa and recount his victories over supernatural forces in the remote Himalayan mountains and caves where he meditated In this authoritative new translation prepared under the guidance of Dzogchen Ponlop Rinpoche Christopher Stagg brilliantly brings to life the teachings of this extraordinary man This classic of world

literature is important for its narrative alone but is also a key contribution for those who seek inspiration for the spiritual path

Wisdom Teachings of the Mahāyāna Sangharakshita, 2023-08-16 How much knowledge of the Dharma do we need Sangharakshita's answer might surprise some a lot less than we think but we need to use the knowledge we do have well This is the teaching of the four main works in this volume Based on seminars conducted in 1976 and 1978 each offers a lesson in how to think critically about Mahāyāna Buddhist teachings and how to apply them to day to day life They are The Way to Wisdom on the five spiritual faculties Living Ethically and Living Wisely on Nāgārjuna's Precious Garland and Know Your Mind which explores a Tibetan Abhidharma text

Altered States D. E. Ostro, 2016-04-26 In the 1960s Americans combined psychedelics with Buddhist meditation to achieve direct experience through altered states of consciousness As some practitioners became more committed to Buddhism they abandoned the use of psychedelics in favor of stricter mental discipline but others carried on with the experiment advancing a fascinating alchemy called psychedelic Buddhism Many think exploration with psychedelics in Buddhism faded with the revolutionary spirit of the sixties but the underground practice has evolved into a brand of religiosity as eclectic and challenging as the era that created it Altered States combines interviews with well known figures in American Buddhism and psychedelic spirituality including Lama Surya Das Erik Davis Geoffrey Shugen Arnold Sensei Rick Strassman and Charles Tart and personal stories of everyday practitioners to define a distinctly American religious phenomenon The nuanced perspective that emerges grounded in a detailed history of psychedelic religious experience adds critical depth to debates over the controlled use of psychedelics and drug induced mysticism The book also opens new paths of inquiry into such issues as re-enchantment the limits of rationality the biochemical and psychosocial basis of altered states of consciousness and the nature of subjectivity
