Antique Price Guide:

Schroeder's Antiques Price Guide Bob Huxford, Sharon Huxford, 1996 Antique dealers and collectors are quite aware that bargains are getting harder and harder to come by each and every day Schroeder's Antiques Price Guide is still a real bargain at 12.95 Collectors, dealers and our customers continue to ask how we can produce this huge 612 page book each year for such a low price It's simple we do it by numbers It's no secret with publishing that the more you print the less expensive each book is So thanks to all our loyal customers who continue to buy our 1 bestselling title we are able to keep the retail price low without sacrificing one bit of quality That is why you get the best for less In August 1999 we will begin shipping the 18th edition of America's top antiques price guide Once again we have included over 50 000 listings each one from all new sources and carefully checked by an authority on each particular subject These 600 expert advisors make sure only the best and most accurate information remains No one person could possibly be an authority on the over 600 categories that fill this reference but Bob and Sharon Huxford and their highly respected team of advisors work year round to make this the most respected up to date guide in the field of antiques and collectibles Hundreds of sharp original photographs illustrate not only the rare and unusual but also the common collectibles not postage stamp photographs but large close up shots that show important details clearly Each subject is presented with history and other background information Our editors keep abreast of newly developing trends often adding several new categories a year If it merits the interest of today's collector you'll find it in Schroeder's You can feel confident that the information we publish is up to the minute and accurate Without a doubt you'll find Schroeder's Antiques Price Guide the one to buy for factual information quality and the lowest retail price

The price guide to antique silver Ian Harris, 1969 *British Antique Furniture* John Andrews, 1989 This guide to the valuation of antique furniture explains what to look for when assessing the value of individual pieces This edition features colour photographs which illustrate the financial importance of patination and colour The work sets out to provide an understanding of the rules and prejudices which apply while training the reader's eye to become aware of gradations of quality This is a reference for the practising collector and dealer from which the memory may be refreshed and points checked

Antique Trader Book Collector's Price Guide Richard Russell, 2009-11-13 This new edition of Antique Trader Book Collector's Price Guide provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's *Emma* and J K Rowling's *Harry Potter and the Philosopher's Stone* recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings

British Antique Furniture John Andrews, 2001 A classic guide to the valuation of antique furniture that explains what to look for when assessing the value of individual pieces This third edition includes both Sterling and US dollar prices and features colour photographs which have been added in order to

illustrate the financial importance of patination and colour The author sets out to provide an understanding of the rules and prejudices which apply while training the reader s eye to become aware of gradations of quality This is a reference for the practising collector and dealer from which the memory may be refreshed and points checked **Price Guide to Antique**

Furniture John Andrews,Antique Collectors' Club,1999-01-01 *Price Guide to Antique Tools* Herbert P. Kean,2005-05-01

A price guide is only as helpful as its prices are current With this in mind we offer a new fourth edition of Herbert Kean s A Price Guide to Antique Tools its prices taken from the latest live and internet auctions as well as from private sales As before there are over 12 000 prices individual and chart combinations that represent extraordinary tools as well as those found in flea markets There is an explanation for each tool group that allows the reader to judge the condition of a tool the most critical of all factors when determining price The chapter on American wooden planes covers over 400 makers each graded with a single value number a system that is at the same time simple and comprehensive To help even more almost every tool is illustrated with a photograph or line drawing The section on internet prices explains the mechanisms of electronic auctions and gives tips for successful bidding If you have ever wished that you could consult with an expert before investing in a tool this is the book for you It puts at your fingertips the knowledge and expertise of noted tool collector and dealer Herb Kean both in determining current prices and in evaluating condition Altogether an invaluable book **The Antique Trader**
