Sheila O'Flanagan, 2008-02-10 Two sisters can t quite believe what their mother has done And now they have to decide what to do about it As if their own personal lives aren t complicated enough Andie and her sister Jin have never seen eye to eye Andie doesn t envy Jin her marriage to a wealthy businessman while Jin isn t convinced that Andie s happy with her man free existence if only she knew the truth But when their widowed mother Cora comes back from a Caribbean cruise with more than just a suntan Andie and Jin are united in horror Who is this gorgeous young man who s swept their mother off her feet What the women really need is a friend to set the world to rights with but can they be friends with each other Readers love Anyone But Him Beautifully written a delight getting to know the characters One of Sheila O Flanagan s best novels It hooked me from the beginning and had several twists along the way The story is very easy to get into and moves at just the right pace The characters are fantastic in particular the two sisters I can imagine a lot of readers relating to their relationship The Greats of Sci-Fi: H. remarkable diversity in style and scope offering an extraordinary tapestry of the human imagination's potential. [English Eccentrics and Eccentricities](#) John Timbs, 2022-05-28. John Timbs' *English Eccentrics and Eccentricities* is a masterful compilation that delves into the whimsical world of Britain's most unconventional personalities. Timbs employs a convivial style of writing appropriate to the subject matter, juxtaposing humorous anecdotes with thoughtful insight. This book transcends mere caricature, painting lively portraits that are as endearing as they are amusing. Within its literary context, it provides a snapshot of an aspect of British culture that remains both celebrated and lampooned: the veneration of individualism expressed in eccentric behavior. The ease of its narrative, coupled with crisp historical accounts, makes it a work of both literary charm and cultural importance. John Timbs was a prolific writer and editor with an eye for the peculiarities of his contemporaries. His journalistic background, coupled with a penchant for the curious aspects of social history, shines through in this collection. As a chronicler of quirky facts and biographies, Timbs was well-equipped to compile the eccentricities defining the spirit of English social life. to renegotiate marriage terms and expand their rights These women did not view the legal system as an enemy but as an instrument for challenging misdeeds and addressing community needs Admiral draws attention to the historical practice and implementation of the Maliki school of Islamic law in an area that remained outside of Ottoman control She highlights women's engagement with Islamic law as deeply embedded in support systems encompassing families communities and legal structures and makes visible women's agency and power
