Immunity

Name: KEY
Date: _____ Period: _____

How does our immune system protect us from disease?

Model 1 – Cell Mediated Response

Why?

One way in which organisms maintain homeostasis is by detecting foreign cells and particles like pathogens and cancer cells. Once the pathogen is detected and identified, other systems in the organism's body can attack the invader, thus keeping the organism healthier. Cells of the human immune system are finely tuned to recognize and respond quickly to disease-causing organisms.

1. In Model 1 a **pathogen** (virus, bacteria, foreign protein, parasite) has entered the bloodstream of an individual. Draw the symbol that represents the pathogen.

2. One response of the human immune system is endocytosis of a pathogen by a **phagocyte** (a type of white blood cell). Refer to Model 1.

a. Which diagram in the cell mediated response illustration shows this process?

Diagram 1

b. Draw the symbol that represents the phagocyte.

3. Another type of white blood cell that is involved in the cell mediated response is a **helper T-cell**.

a. Draw the symbol that represents the helper T-cell in Model 1.

b. In your drawing above, circle the specialized surface proteins on the helper T-cell.

4. According to Model 1, are all helper T-cells the same? Justify your answer with specific evidence from Model 1.

No, not all helper-T cells are the same because the 'arms' (antigen-complementary proteins) are different. These 'arms' complement the antigens so it is necessary that there are different helper-T cells.

Ap Biology Immunity Pogil Answer Key

Donald Mackay Weir

Ap Biology Immunity Pogil Answer Key:

11th Hour Janet M. Decker, 2009-07-01 The 11th Hour Series of revision guides are designed for quick reference The organization of these books actively involves students in the learning process and reinforces concepts At the end of each chapter there is a test including multiple choice questions true false questions and short answer questions and every answer involves an explanation Each book contains icons in the text indicating additional support on a dedicated web page Students having difficulties with their courses will find this an excellent way to raise their grades Clinical correlations or everyday applications include examples from the real world to help students understand key concepts more readily Dedicated web page there 24 hours a day will give extra help tips warnings of trouble spots extra visuals and more A quick check on what background students will need to apply helps equip them to conquer a topic The most important information is highlighted and explained showing the big picture and eliminating the guesswork After every topic and every chapter lots of opportunity for drill is provided in every format multiple choice true false short answer essay An easy trouble spot identifier demonstrates which areas need to be reinforced and where to find information on them Practice midterms and finals prep them for the real thing
