Anticancer A New Way Of Life:

Anticancer David Servan-Schreiber, 2011-01-06 This updated edition of the international bestseller addresses current developments in cancer research and offers more tips on how people living with cancer can fight it and how healthy people can prevent it

Anticancer David Servan-Schreiber, 2008 The author describes his treatment for brain cancer challenges beliefs about the body's ability to heal identifies the environmental and lifestyle factors that promote cancer growth and outlines conventional and alternative therapies

The Anti-Cancer Life David Servan-Schreiber, 2008-09-08 A radical synthesis of science and personal experience that advocates a sea change in the way we understand and confront cancer

Empowered Sheryl Ellinwood, 2009 This year 192 300 women in the United States will develop breast cancer Every two to three minutes another woman will learn she has this disease Although many books have been written about breast cancer most focus on just a single aspect of the disease Breast cancer survivor Sheryl Ellinwood researched its multiple fronts prevention politics standard treatment alternative treatment and more before making her treatment decisions She discovered that knowledge provides power Doing research enabled her to avoid a life threatening mistake and to choose the right treatment In *Empowered* she shares findings that you may not be aware of woman to woman clearly and comprehensibly and then provides links to in depth information on each topic She also explains the risks and benefits of food choices the role of hormones and mineral deficiencies in breast cancer growth and how to avoid cancer causing toxins She examines how these factors create an environment for breast cancer to grow and explains how women can make choices that reduce their risk In *Empowered* Sheryl helps other women by leading them step by step through the process of doing their own research so they will be sure to choose the best treatment

52 Simple Ways to Preventcontrol & Turnoff Cancer , The Cancer Solution Jack C. Westman, M.D., M.S., 2015 The Cancer Solution Taking Charge of your Life with Cancer by Jack C Westman M D shows how much of the failure of the War on Cancer and more importantly much of the potential for finally winning it has to do with the definition of cancer This book is a wake up call and a call to action for cancer patients their loved ones and the general public Conventional cancer care needs to be vastly improved according to the American Society of Clinical Oncology and the National Cancer Institute Patients know it firsthand They are obliged to accept chances for 5 year survival with likely debilitation rather than complete remissions cures Everyone is paying the price of excessive cancer care costs in their health care insurance Publisher description
