The Software Encyclopedia ,1997 Guide to Sophocles' Antigone Joan V. O'Brien,1978 Guide to 7 passages from Antigone to be used with A C Pearson s text of the play with the author s interlinear text of The Bilingual selections from Sophocles Antigone or with an annotated school text **Guide to Sophocles' "Antigone"** Joan V. O'Brien,1978 Designed primarily to be used alongside a standard school text of the Antigone this first extensive commentary since the Jebb 1891 edition represents a new concept in text commentary The work is built around seven selected passages specifically chosen to illustrate the poet s diction the play s ironic structure and the antagonists character Grammatical notes a comprehensive commentary on the literary philosophical and historical aspects of the play and a vocabulary to all the Greek words that appear in the play are designed to acquaint the intermediate student of Greek with the peculiarities of tragic diction and vocabulary **Bilingual Selections from Sophocles' Antigone** Sophocles,Joan V. O'Brien,1977 An innovative teaching tool for beginning students and text for comparatists lacking facility in Greek this inter linear translation of seven related passages provides an introduction to the art of Sophocles In addition a long introductory essay on the dimensions of the play analyzes Antigone s androgynous nature The passages chosen readily illustrate Sophocles diction and style and the play s ironic structure They also reveal the characters of the antagonists Three are character studies of the heroine Another the famed Ode on Man reveals some of the dramatist s deepest thoughts O'Brien provides summaries of intervening portions of the play the Greek alphabet and a grammatical appendix A transliteration of two passages the Prologue and the Ode on Man is designed to help the beginner learn the Greek alphabet and to show combined or elided words in their complete form

Antigone Sophocles,2012-09-01 This new edition of Don Taylor s translation presents one of the most accessible and performable versions of this ancient play and provides a blueprint for understanding and staging the play today

Sophocles' Antigone: Text Sophocles,1988 Bryn Mawr Commentaries provide clear concise accurate and consistent support for students making the transition from introductory and intermediate texts to the direct experience of ancient Greek and Latin literature They assume that the student will know the basics of grammar and vocabulary and then provide the specific grammatical and lexical notes that a student requires to begin the task of interpretation **Sophocles' Antigone** Geoffrey Steadman,2015-06-14 Each page of this volume contains 15 lines of Greek text Francis Storr s 1912 edition of Antigone with all corresponding vocabulary and grammatical commentary arranged below Once readers have memorized the core vocabulary list they will be able to read the Greek and consult all relevant vocabulary and commentary without turning a page *Antigone In Plain and Simple English* BookCaps,Sophocles,2012 Sophocles was the Aaron Spelling of ancient Greek world his plays had all the makings of a modern soap But archaic translations of his ancient work make it almost impossible to see any of the Melrose Place like plots BookCaps can help readers who have struggled in the past with Sophocles classic plays with this modern retelling Antigone is a tragedy by Sophocles written in or before 442 BC Chronologically it is the third

of the three Theban plays but was written first The play expands on the Theban legend that predated it and picks up where Aeschylus Seven Against Thebes ends The original text is also presented in the book along with a comparable version of both text We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month

Recapturing Sophocles' Antigone William Blake Tyrrell, Larry J. Bennett, 1998-08-13 In this book Wm Blake Tyrrell and Larry J Bennett examine Sophocles Antigone in the context of its setting in fifth century Athens The authors attempt to create an interpretive environment that is true to the issues and interests of fifth century Athenians as opposed to those of modern scholars and philosophers As they contextualize the play in the dynamics of ancient Athens the authors discuss the text of the Antigone in light of recent developments in the study of Greek antiquity and tragedy and they turn to modern Greek rituals of lamentation for suggestive analogies The result is a compelling book which opens new insights to the text challenges the validity of old problems and eases difficulties in its interpretation *Antigone by Jean Anouilh (Book Analysis)* Bright Summaries, 2015-10-08 In this clear and detailed reading guide we've done all the hard work for you Antigone by Jean Anouilh was released during the Occupation in France and prompted a debate as to its possible interpretations It tells the story of the young Antigone who fights against the authority of her uncle King Creon and is eventually sentenced to death This practical and insightful reading guide includes A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries.com Available in print and digital format our publications are designed to accompany you in your reading journey The clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time Shed new light on your favorite books with BrightSummaries.com
