

Understanding Dying and a Palliative Approach

1

Understanding Your Beliefs and Baggage

1. One key message in the text is that the principles of palliative care can be integrated into care early in the dying process. Is this a new concept for you? Write about this idea. What are the benefits of the palliative approach? Do you already follow some of these principles?

Palliative care is totally new concept for me. Before reading palliative approach I haven't any idea related to palliative care. Community where I belongs the care plan for dying person were not applied. Most of the care of dying person were done by family members.

Solidifying Concepts

- 2a. Identify two key changes in the way that people die differently now than they did 100 years ago.

- i. Development and improvement of hygienic methods and medicine.
- ii. Innovation of vaccine and improvement of good healthcare.

- 2b. Considering the aging population and changes to the way people die, what are two challenges in providing care for dying people now?

- i. People needed care for longer period of time.
- ii. Fewer family members are aware about palliative care and unaffordable to them.
