ESSAY

1. Explain the relationship of tourism and hospitality.

Tourism involves the travel of the tourist and arrange their travel while hospitality provide what the customer needs, like accommodation, food, leisure and other services. Tourism provide income to the hospitality industry that's why without tourism there will no income to the hospitality and tourism sectors, on the other hand without the good service that the hospitality industry provide to the tourist there will be no tourism. Because it is the service quality that make tourist come in that specific place.

2. Discuss the importance of tourism and hospitality

Tourism and hospitality provide money to the economy of a country. The more the tourist spent for their vacation or stay can generate a larger income to the country that can benefit the society. Without tourism and hospitality there will be less income that can cause unemployment and poverty to the people. Tourism and hospitality plays an important role in our daily life they are the one who provide services that we need, food, temporary shelter and others, it also provide jobs to people, the people that are making the services we need. And that is the importance of tourism and hospitality in the economy of a society.

3. Explain the contributions of the Sumerians to the development of hospitality industry.

Sumerians play a big role in the development of hospitality industry because of their inventions hospitality industry come to life, the Sumerians wheel and money helps them to travel and search for something that will satisfy their needs. This makes people to establish more and create something that will provide the travellers' need.

4. Why did the business of inn keeping disappear during the dark ages?

At this point in time there is a breakdown in the Roman Empire and movement of so-called barbarian peoples including the Huns, Goths, Vandals, Bulgars, Alani, Suebi, and Franks appears they destroy roads and other establishment that causes people to be afraid to go out worrying that they will be involved in the war. They also destroy buildings that causes some business to close down.

5. How tourism and hospitality dollars spent based from the picture below?

According to the chart the dollars spent from the travellers who pay for their transportation, and other necessities such as food, lodging, travel agencies and leisure, then from the transportation company they pay for their taxes and staff who work for them same through the establishment that the traveller goes to then the staff spent their dollars to pay bills, rental, taxes and other fees including leisure and from being a staff they become the traveller.

6. Explain the scope and relationship of the tourism and hospitality industry based from the picture below?

Proven Solutions for Improving Supply Chain Performance C. Carl Pegels, 2005-06-01 Proven Solutions for Improving Supply Chain Performance is a collection of about 175 descriptions of scientific management studies in the management of supply chains Each one of the descriptions of the scientific studies is presented in readable and understandable form for individuals who probably have not had the statistical and scientific education and training to fully understand the underlying studies The book is significantly different from the popular management literature which is generally based on armchair theories that have little basis on fact and seldom have been scientifically verified Although the book is targeted for the supply chain manager administrator it can also be used as a supplementary reader in such courses as Operations Management Service Systems Management Manufacturing Management Purchasing Management and of course in Supply Chain Management courses Measuring Quality in Planning Matthew Carmona, Louie Sieh, 2004-09-09 This book deals with one of the current major debates in planning how to measure the quality and effectiveness of the output of the planning process It deals with issues of defining quality public sector management the use of indicators and the planning process Although case study material is drawn from UK practice this topic is universal and the authors include discussions of international practice and experience

Emergency Management and Tactical Response Operations Thomas D. Phelan, 2011-04-08 Is emergency management education undoing an age old tradition in the American Fire Service Has the time arrived to educate emergency managers in college classrooms rather than in twenty years of tactical operations experience Over one hundred forty three 143 institutions of higher education are now offering certificate or degree programs in emergency management with no tactical operations experience required for admission Resistance by veteran law enforcement officers and fire fighters may have to be overcome if we are to prepare emergency managers with required skill sets Dr Tom Phelan explores the skills being taught to emergency management students and addresses the concerns of experienced first responders in accepting their leadership Discusses the value of emergency management education in the post 9 11 world Makes clear the need for educating emergency managers to prepare them for emergency manager leadership Helps bridge the gap between emergency management and first responders Should be required reading in every college emergency management curriculum The book is clear concise and an easy read

Influencing Organizational Effectiveness Linda Holbeche, 2016-12-08 In this book Linda Holbeche offers an historical narrative on the changing landscape of work since the 1980s and considers how definitions of organizational

effectiveness have changed over time She considers the characteristics and effects of the neo liberal work culture of new capitalism and how HRM practices have contributed to shaping this work culture Influencing Organizational Effectiveness challenges mainstream thinking around business strategy change and organizational effectiveness and about the roles of HRM and management While the overall tone of the book is critical Holbeche argues that HRM can play an active role in giving voice to employees and advancing organizational effectiveness Grounded in research this book includes reflective questions case studies and helpful guidelines to support HRM and organizational development professionals and master s level students It illustrates what better might look like and how HRM can contribute to a new definition of effectiveness which is aligned to the needs of modern organizations
