Choosing War Fredrik Logevall, 2023-09-01 In one of the most detailed and powerfully argued books published on American intervention in Vietnam Fredrik Logevall examines the last great unanswered question on the war Could the tragedy have been averted His answer a resounding yes Challenging the prevailing myth that the outbreak of large scale fighting in 1965 was essentially unavoidable Choosing War argues that the Vietnam War was unnecessary not merely in hindsight but in the context of its time Why then did major war break out Logevall shows it was partly because of the timidity of the key opponents of U S involvement and partly because of the staunch opposition of the Kennedy and Johnson administrations to early negotiations His superlative account shows that U S officials chose war over disengagement despite deep doubts about the war's prospects and about Vietnam's importance to U S security and over the opposition of important voices in the Congress in the press and in the world community They did so because of concerns about credibility not so much America's or the Democratic party's credibility but their own personal credibility Based on six years of painstaking research this book is the first to place American policymaking on Vietnam in 1963-65 in its wider international context using multiarchival sources many of them recently declassified Here we see for the first time how the war played in the key world capitals not merely in Washington Saigon and Hanoi but also in Paris and London in Tokyo and Ottawa in Moscow and Beijing Choosing War is a powerful and devastating account of fear favor and hypocrisy at the highest echelons of American government a book that will change forever our understanding of the tragedy that was the Vietnam War In one of the most detailed and powerfully argued books published on American intervention in Vietnam Fredrik Logevall examines the last great unanswered question on the war Could the tragedy have been averted His answer a resounding yes Challenging

Jacob Heilbrunn The Spectator Between 1894 and 1924 three waves of violence swept across Anatolia targeting the region's

Christian minorities By 1924 the Armenians Assyrians and Greeks once nearly a quarter of the population had been reduced to 2 percent Most historians have treated these waves as distinct isolated events and successive Turkish governments presented them as an unfortunate sequence of accidents The Thirty Year Genocide is the first account to show that all three were actually part of a single continuing and intentional effort to wipe out Anatolia s Christian population Despite the dramatic swing from the Islamizing autocracy of the sultan to the secularizing republicanism of the post World War I period the nation s annihilationist policies were remarkably constant with continual recourse to premeditated mass killing homicidal deportation forced conversion and mass rape And one thing more was a constant the rallying cry of jihad While not justified under the teachings of Islam the killing of two million Christians was effected through the calculated exhortation of the Turks to create a pure Muslim nation A subtle diagnosis of why at particular moments over a span of three decades Ottoman rulers and their successors unleashed torrents of suffering Bruce Clark New York Times Book Review Memorandum on the Progress of the Madras Presidency During the Last Forty Years of British Administration Seshayangar Srinivasa Raghavaiyangar,1893 Myth & Reality John McLeod,1986 The Home Office, 1848-1914, from Clerks to Bureaucrats Jill Pellew,1982 Examines the changing social and educational backgrounds functions of the British civil servant especially after the reforms following the Northcote Trevelyan report Considers the structure of the department and the Home Office s alleged failure to effectively respond to contemporary social and political needs **Monitoring the News: The Brilliant Launch and Sudden Collapse of the Monitor Channel** Susan Bridge,2015-05-20 In her colorful insider s account Susan Bridge analyzes the bitter struggle that ensued when a sophisticated entrepreneurial leadership tried to diversify and reposition The Christian Science Monitor beyond the failing newspaper into radio the Internet multimedia publishing and the highest ticket item of all The Monitor Channel a CNN style 24 hour news and public affairs channel Using the Monitor s story as a focus Susan Bridge raises fundamental questions about how and whether the public s interest can be served in an age of spiraling costs competition between print and electronic media changing public tastes and undeclared media wars
