Robert G. Sutter

2014 Grade 12 September Tourism Memorandum:

Handbook of Research on Socio-Economic Impacts of Religious Tourism and Pilgrimage Álvarez-García, José, del Río Rama, María de la Cruz, Gómez-Ullate, Martín, 2018-08-31 Religious studies and research have gained a lot of interest and attention from researchers policy makers and practitioners over the last few years but the socio economic impacts have not been explored Taking into account the profound economic impact the tourism and hospitality industries can have on regions and cities around the world further research in this area is critical to analyze the extent of such impact and the ramifications that are associated with it The Handbook of Research on Socio Economic Impacts of Religious Tourism and Pilgrimage is a pivotal reference source that provides vital research on the social and economic factors in faith based journeys While highlighting topics such as tourist spending spiritual tourism and local development this publication explores religious tourism in the middle age as well as the methods of modern religious tourism This book is ideally designed for business managers cultural preservationists academicians business professionals entrepreneurs and upper level students seeking current research on religious tourism and its socio economic impacts **Challenging Ideas** Maren Lytje, Torben K. Nielsen, 2016-01-14 Challenging Ideas is a selection of articles which address the intersections between theory and empirical research In general the contributions to the volume focus on how imaginations of the temporal relationship between past and present might inform theory as well as empirical research It is divided into two parts the first of which Memory looks at the memory turn in the discipline of history and includes investigations into the relationship between past and present in the working through of trauma and reflections on the relationship between media memory collective memory and trauma The second part of the volume History looks at the intersections between social science political theory and the writing of history This section includes reflections on how the historian s archival work might inform the construction of social and political theory and explorations of the temporal relationship between past and present at work in the archives The contributions to this volume encourage historically oriented scholars to approach their work with an active interest in disciplines close to their topic and a reflexive attentiveness to the broader power relations within which they work They offer different perspectives on the intrinsic relationship between past and present at work in the interactions between theory and empirical research and thereby give impetus to challenging ideas and to the challenging of ideas in the social sciences and in the humanities **Yearbook of International Organizations 2013-2014 (Volume 3)** Union Of International Associations, Union of International Associations, 2013-08-09 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved

and extensive statistical data Volume 3 allows readers to locate organizations by subjects or by fields of activity and specialization and includes an index to Volumes 1 through 3 Chinese Foreign Relations Robert G. Sutter, 2016-01-14 This comprehensive introduction to Chinese foreign relations assesses the accomplishments and limits China faces as it exerts increasing international influence This balanced and thorough assessment shows China's leaders exerting more influence in world affairs but remaining far from dominant even in key areas along China's border Closing Sysco Lachlan MacKinnon, 2020-02-27 Closing Sysco presents a history of deindustrialization and working class resistance in the Cape Breton steel industry between 1945 and 2001 The Sydney Steel Works is at the heart of this story having existed in tandem with Cape Breton's larger coal operations since the early twentieth century The book explores the multifaceted nature of deindustrialization the internal politics of the steelworkers union the successful efforts to nationalize the mill in 1967 the years in transition under public ownership and the confrontations over health safety and environmental degradation in the 1990s and 2000s Closing Sysco moves beyond the moment of closure to trace the cultural historical and political ramifications of deindustrialization that continue to play out in post industrial Cape Breton Island A significant intervention into the international literature on deindustrialization this study pushes scholarship beyond the bounds of political economy and cultural change to begin tackling issues of bodily health environment and historical memory in post industrial places The experiences of the men and women who were displaced by the decline and closure of Sydney Steel are central to this book Featuring interviews with former steelworkers office employees managers politicians and community activists these one on one conversations reveal both the human cost of industrial closure and the lingering after effects of deindustrialization

Tourism, Religion and Pilgrimage in Jerusalem Kobi Cohen-Hattab, Noam Shoval, 2014-08-07 Jerusalem is a city with a singular nature Home to three religions it contains spiritual meaning for people the world over it is at once a tourist destination and a location with a complex political reality Tourism therefore is an integral part of Jerusalem's development and its political conflicts The book traces tourism and pilgrimage to Jerusalem from the late Ottoman era through the British Mandate during the period of the divided city and to the reunification of the city under Israeli rule Throughout the city's evolution is shown to be intertwined with its tourist industry as tourist sites accommodations infrastructure and services transform the city's structures and open spaces At the same time tourism is wielded by various parties in an effort to gain political recognition to bolster territorial control or to garner support The city's future and the role tourism can play in it are examined While the construction of a security fence will have many implications on Jerusalem's tourist industry steps are proposed to minimize the effects of the security fence and optimize tourism Written by leading academics this title will be valuable reading for students academics and researchers in the fields of tourism religious studies geography history cultural studies and anthropology *Prison Capital* Lydia Pelot-Hobbs, 2023-10-16 Every year between 1998 to 2020 except one Louisiana had the highest per capita rate of incarceration in the nation and thus the world This is the first detailed account of

Louisiana's unprecedented turn to mass incarceration from 1970 to 2020 Through extensive research Lydia Pelot Hobbs illuminates how policy makers enlarged Louisiana's carceral infrastructures with new prisons and jail expansions alongside the bulking up of police and prosecutorial power At the same time these infrastructures were the products of multiscalar crises the swings of global oil capitalism liberal federal court and policy interventions the rise of neoliberal governance and law and order austerity and racist and patriarchal moral panics surrounding crime However these crises have also created fertile space for anticarceral social movements From incarcerated people filing conditions of confinement lawsuits and Angola activists challenging life without parole to grassroots organizers struggling to shrink the New Orleans jail following Hurricane Katrina and LGBTQ youth of color organizing against police sexual violence grassroots movements stretch us toward new geographies of freedom in the lineage of abolition democracy Understanding Louisiana's carceral crisis extends our understanding of the interplay between the crises of mass criminalization and racial capitalism while highlighting the conditions of possibility for dismantling carceral power in all its forms [Skiing Into Modernity](#) Andrew Denning, 2014-11-26 Examines the relationship between skiers and the Alpine environment since the late nineteenth century It argues that skiing and winter tourism modernized the Alps in both material and perceptual terms while the Alpine landscape itself challenged skiers to alter their practices and philosophies of sport leisure and nature harmonizing Alpine skiing with modern cultural values and social practices in the twentieth century Provided by publisher *The South Seas* Sean Brawley, Chris Dixon, 2015-04-21 The South Seas charts the idea of the South Seas in popular cultural productions of the English speaking world from the beginnings of the Western enterprise in the Pacific until the eve of the Pacific War Building on the notion that the influences on the creation of a text and the ways in which its audience receives the text are essential for understanding the historical significance of particular productions Sean Brawley and Chris Dixon explore the ways in which authors and producers ideas about the South Seas were haunted by others who had written on the subject and how they in turn influenced future generations of knowledge producers The South Seas is unique in its examination of an array of cultural texts Along with the foundational literary texts that established and perpetuated the South Seas tradition in written form the authors explore diverse cultural forms such as art music theater film fairs platform speakers surfing culture and tourism

Presidential Leadership and National Security Richard S. Conley, 2017-10-31 This book assesses the foreign policy legacy of the Obama administration through the lens of national security and leadership Timely accessible chapters authored by leading scholars of presidential and international politics cover White House Cabinet relations Congress and War Powers challenges including the Iran nuclear deal ISIS and the closing of Guantanamo Bay drone strikes the New Cold War with Russia and the ways in which the Obama foreign policy legacy shaped the 2016 presidential election In particular the book explores the philosophical basis of counter terrorism strategy in the Obama administration and traces how precepts differed from the administration of George W Bush More generally the book contributes to an understanding of the distinctive

interplay between the formal constitutional powers of the president and the use of informal executive powers in the quest for peace and security Finally the book surveys the challenges that Donald J Trump faces in the transition to the new presidential administration

London's West End Rohan McWilliam, 2020-09-25 How did the West End of London become the world's leading pleasure district What is the source of its magnetic appeal How did the centre of London become Theatreland London's West End 1800-1914 is the first ever history of the area which has enthralled millions The reader will discover the growth of theatres opera houses galleries restaurants department stores casinos exhibition centres night clubs street life and the sex industry The area from the Strand to Oxford Street came to stand for sensation and vulgarity but also the promotion of high culture The West End produced shows and fashions whose impact rippled outwards around the globe During the nineteenth century an area that serviced the needs of the aristocracy was opened up to a wider public whilst retaining the imprint of luxury and prestige Rohan McWilliam tells the story of the great artists actors and entrepreneurs who made the West End figures such as Gilbert and Sullivan the playwright Dion Boucicault the music hall artiste Jenny Hill and the American Harry Gordon Selfridge who wanted to create the best shop in the world At the same time McWilliam explores the distinctive spaces created in the West End from the glamour of Drury Lane and Covent Garden through to low life bars and taverns We encounter the origins of the modern star system and celebrity culture London's West End 1800-1914 moves from the creation of Regent Street to the glory days of the Edwardian period when the West End was the heart of empire and the entertainment industry Much of modern culture and consumer society was shaped by a relatively small area in the middle of London This pioneering study establishes why that was
