2014 Nsc Exemplar Memorandum

**Great Britain: Parliament: House of
Commons: Defence Committee**

2014 Nsc Exemplar Memorandum:

Global Rules James E. Cronin, 2014-10-28 Questions long perceived views of post World War II America and its position in the world especially after Vietnam The author details the challenges the economic transition of the 1970s and 1980s engendered as the US and Great Britain together actively pursued their shared ideal of an international assemblage of market based democratic states House of Commons - Defence Committee: Towards the Next Defence and Security Review: Part One - HC 197 Great Britain: Parliament: House of Commons: Defence Committee, 2014-01-07 In this report the Defence Committee argues that the capabilities of HM Forces should be determined not by budgetary constraints but by a fully developed strategy which defines the position in the world that the UK wants to adopt The report urges the government to produce a comprehensive national security strategy in the first place and let that document along with the Comprehensive Spending Review CSR direct the next Strategic Defence and Security Review SDSR The allocation of resources will be based on national spending priorities set to meet the nation s security needs There is a danger of defence becoming a matter of discretionary spending Decisions about the expeditionary capability that the UK retains must be based on proper strategic decision making about the UK s place in the world and not simply flow from the horse trading that surrounds the CSR process The report points to a lack of understanding amongst the public of why we have Armed Forces General sympathy and support for the Armed Forces must not obscure a hard headed understanding of what they are for The process of producing the next Defence and Security Review is the opportunity to engage the public in understanding the future of the Armed Forces The Committee has very real concerns about the focus that will be given to the number of asymmetric security threats to the UK such as from terrorism or cyber attack The Government must think more strategically about the resilience of the country s critical infrastructure and recovery following an attack
