# 2014 Rdo Calendar

**Dolpopa Sherab Gyaltzen, Cyrus  
Stearns**

## 2014 Rdo Calendar:

**Living Treasure** Andrew Quintman, Holly Gayley, 2023-06-06 Senior scholars and former students celebrate the life and work of Janet Gyatso professor of Buddhist studies at Harvard Divinity School Inspired by her contributions to life writing Tibetan medicine gender studies and more these offerings make a rich feast for readers interested in Tibetan and Buddhist studies Janet Gyatso has made substantial influential and incredibly valuable contributions to the fields of Buddhist and Tibetan studies Her paradigm shifting approach is to take a topic an idea a text a term often one that had long been taken for granted or overlooked and turn it inside out to radically reimagine the kinds of questions that might be asked and what the answers might reveal The twenty nine essays in this volume authored by colleagues and former students many of whom are now also colleagues represent the breadth of her interests and influence and the care that she has taken in training the current generation of scholars of Tibet and Buddhism They are organized into five sections Women Gender and Sexuality Biography and Autobiography the Nyingma Imaginaire Literature Art and Poetry and Early Modernity Human and Nonhuman Worlds Contributions include Jos Cabezon on the incorporation of a Buddhist rock carving in Central Asian culture Matthew Kapstein on the memoirs of an ambivalent reincarnated lama Willa Baker on Jikme Lingpa's theory of absence Andrew Quintman on a found poem expressing worldly sadness on the forced closure of a monastery and Padma tsho on Tibetan women's advocacy for full female ordination These and the many other chapters each fascinating reads in their own right together offer a glowing tribute to a scholar who indelibly changed the way we think about Buddhism its history and its literature      *Specifications and Drawings of Patents Issued from the United States Patent Office* United States. Patent Office, 1879      **Mountain Dharma** Dolpopa Sherab Gyaltsen, Cyrus Stearns, 2025-04-22 A brilliant annotated translation of Dolpopa Sherab Gyaltsen's Mountain Dharma that opens a masterpiece of the Jonang tradition to Western readers and presents Dolpopa's provocative ideas about a true eternal and established reality that still impact Buddhism today The controversial master Dolpopa Sherab Gyaltsen shook Buddhist Tibet when he taught that an eternal enlightened essence or buddha nature exists in full form in all living beings The ideas discussed in Mountain Dharma are still as provocative now as when Dolpopa first taught them impacting Buddhism to this day Dolpopa identified the ultimate with the buddha nature or sugata essence which he held to be eternal and not empty of self nature The buddha nature is perfect with all its characteristics inherently present in all living beings It is only the impermanent and temporary afflictions veiling the buddha nature that are empty of self nature and must be removed through the practice of the path to allow it to manifest Dolpopa establishes the validity of his theories with an ocean of quotations selected from Indian Buddhist scriptures and treatises of indisputable authority showing us that the ultimate is a true eternal and established reality empty merely of other relative phenomena      **Tibetan Lives** Peter Richardus, 2014-03-18 In the early years of the 20th century control over Tibet was contested by three major empires those of China Russia and Britain The imperial powers and those who came in their wake missionaries scholars

traders and soldiers employed local staff to assist in their dealings with the Tibetans and these employees were in the vanguard of Tibet's encounter with the outside world Yet they have been largely forgotten by history and most of the knowledge and understandings that they gained have been lost It was left to a Dutchman Johan van Manen and hence an outside observer of the British imperial system to preserve the impressions of three who served on the periphery of the imperial system The three autobiographies that make up this book crowded with ethnographical sociological and historico-religious data offer a unique insight into the world of the intermediary class In addition to being interesting and entertaining they are an important contribution to our understanding of the history of Tibet and its opening up to cultures beyond its own

**Routledge Handbook of Asian Theatre** Siyuan Liu, 2016-02-05 Routledge Handbook of Asian Theatre is an advanced level reference guide which surveys the rich and diverse traditions of classical and contemporary performing arts in Asia showcasing significant scholarship in recent years An international team of over 50 contributors provide authoritative overviews on a variety of topics across Asia including dance music puppetry make up and costume architecture colonialism modernity gender musicals and intercultural Shakespeare This volume is divided into four sections covering Representative Theatrical Traditions in Asia Cross Regional Aspects of Classical and Folk Theatres Modern and Contemporary Theatres in Asian Countries Modernity Gender Performance Intercultural and Musical Theatre in Asia Offering a cutting edge overview of Asian theatre and performance the Handbook is an invaluable resource for academics researchers and students studying this ever evolving field

**The Cleveland City Directory ...**, 1871 **Morrison & Fourmy's Houston (Texas) City Directory**, 1931 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979 **Docket No. 117638**, 2014 *When a Woman Becomes a Religious Dynasty* Hildegard Diemberger, 2014-03-04 In the fifteenth century the princess Chokyi Dronma was told by the leading spiritual masters of her time that she was the embodiment of the ancient Indian tantric deity Vajravarahi known in Tibetan as Dorje Phagmo the Thunderbolt Female Pig After suffering a great personal tragedy Chokyi Dronma renounced her royal status to become a nun and in turn the tantric consort of three outstanding religious masters of her era After her death Chokyi Dronma's masters and disciples recognized a young girl as her reincarnation the first in a long powerful and influential female lineage Today the twelfth Samding Dorje Phagmo leads the Samding monastery and is a high government cadre in the Tibet Autonomous Region Hildegard Diemberger builds her book around the translation of the first biography of Chokyi Dronma recorded by her disciples in the wake of her death The account reveals an extraordinary phenomenon although it had been believed that women in Tibet were not allowed to obtain full ordination equivalent to monks Chokyi Dronma not only persuaded one of the highest spiritual teachers of her era to give her full ordination but also established orders for other women practitioners and became so revered that she was officially recognized as one of two principal spiritual heirs to her main master Diemberger offers a number of theoretical arguments about the importance of reincarnation in Tibetan society

and religion the role of biographies in establishing a lineage the necessity for religious teachers to navigate complex networks of political and financial patronage the cultural and social innovation linked to the revival of ancient Buddhist civilizations and the role of women in Buddhism Four introductory stage setting chapters precede the biography and four concluding chapters discuss the establishment of the reincarnation lineage and the role of the current incarnation under the peculiarly contradictory communist system
