No Man's War Angela Ricketts, 2014-06-16 A blunt bold debut memoir of women s lives on an army base and the intimate hardships of war and deployment on this community Kirkus Raised as an army brat Angie Ricketts though she knew what she was in for when she eloped with Darrin then an Infantry Lieutenant on the eve of his deployment to Somalia Since then Darrin now a Colonel has been deployed eight times serving four of those tours in Iraq and Afghanistan And Ricketts has lived every one of those deployments intimately distant enough to survive the years apart from her husband but close enough to share a common purpose and a lifestyle they both love With humor candor and a brazen attitude Ricketts pulls back the curtain on a subculture many readers know but few will ever experience Counter to the

dramatized snapshot seen on Lifetime's *Army Wives* Ricketts digs into the personalities and posturing that officers' wives must survive daily whether navigating a social event at the base suffering through a husband's prolonged deployment or reacting to a close friend's death in combat At its core *No Man's War* is a story of sisterhood and survival As Ricketts states We tread those treacherous waters together Do we sometimes shove each other's heads underwater for a few seconds Maybe even on purpose Of course Are we sometimes dragged underwater ourselves by the undertow created by all of us struggling together too closely Without a doubt But we never let each other drown Our buoyancy is our survival Merchant Vessels of the United States...
