Working-Class Utopias Robert M. Fogelson, 2022-10-18 One of the nation's foremost urban historians traces the history of cooperative housing in New York City from the 1920s through the 1970s As World War II ended and Americans turned their attention to problems at home union leaders and other prominent New Yorkers came to believe that cooperative housing would solve the city's century old problem of providing decent housing at a reasonable cost for working class families Working Class Utopias tells the story of this ambitious movement from the construction of the Amalgamated Houses after World War I to the building of Co op City the world's largest housing cooperative four decades later Robert Fogelson brings to life a tumultuous era in the life of New York drawing on a wealth of archival materials such as community newspapers legal records and personal and institutional papers In the early 1950s a consortium of labor unions founded the United Housing Foundation under the visionary leadership of Abraham E Kazan who was supported by Nelson A Rockefeller Robert F Wagner Jr and Robert Moses With the help of the state which provided below market rate mortgages and the city which granted tax abatements Kazan's group built large scale cooperatives in every borough except Staten Island Then came Co op City built in the Bronx in the 1960s as a model for other cities but plagued by unforeseen fiscal problems culminating in the longest and costliest rent strike in American history Co op City survived but the United Housing Foundation did not and neither did the cooperative housing movement Working Class Utopias is essential reading for anyone seeking to understand the housing problem that continues to plague New York and cities across the nation

Meltdown Larry Kirsch, Gregory D. Squires, 2017-03-09 Meltdown reveals how the Consumer Financial Protection Bureau was able to curb unsafe and unfair practices that led to the 2008 financial crisis In interviews with key government industry and advocacy groups along with deep archival research Kirsch and Squires show where the CFPB was able to overcome many abusive practices where it was less able to do so and why Open for business in 2011 the CFPB was Congress's response to the financial catastrophe that shattered millions of middle class and lower income households and threatened the stability of the global economy But only a few years later with U S economic conditions on a path to recovery there are already disturbing signs of the re emergence of the high risk high reward credit practices that the CFPB was designed to curb This book profiles how the Bureau has attempted to stop abusive and discriminatory lending practices in the mortgage and automobile lending

sectors and documents the multilayered challenges faced by an untested new regulatory agency in its efforts to transform the broken but lucrative business practices of the financial services industry Authors Kirsch and Squires raise the question of whether the consumer protection approach to financial services reform will succeed over the long term in light of political and business efforts to scuttle it Case studies of mortgage and automobile lending reforms highlight the key contextual and structural conditions that explain the CFPB's ability to transform financial service industry business models and practices Meltdown The Financial Crisis Consumer Protection and the Road Forward is essential reading for a wide audience including anyone involved in the provision of financial services staff of financial services and consumer protection regulatory agencies and fair lending and consumer protection advocates Its accessible presentation of financial information will also serve students and general readers

Combatting Corruption and Collusion in Public Procurement Robert D. Anderson, Alison Jones, William E. Kovacic, 2024-03-06 Corruption in public procurement typically involves procurement decisions taken in favour of preferred bidders in exchange for improper compensation the acceptance of bribes for example while supplier collusion refers to a type of cartel activity in which firms rig their bids in a tendering process Although these practices are distinct they frequently occur together in the public procurement context reinforcing one another Combatting Corruption and Collusion in Public Procurement A Challenge for Governments Worldwide examines the causes of corruption and collusion in the public procurement sphere its resulting harm and how states can best try to combat these practices This book provides a legal economic and practical analysis of issues concerning corruption and supplier collusion in public procurement both generally and in seven diverse and representative jurisdictions the United Kingdom the United States Brazil Hungary and Poland Ukraine and Canada It encompasses a discussion of both generic cross jurisdictional issues and specific proposals for individual jurisdictions It offers practical guidance on building robust regimes for combatting corruption and collusion in public procurement and how to bolster and improve them when they are faltering The book stresses the need for a multi faceted and joined up approach to the problems emphasizing the importance both of enhanced investment in the effective enforcement of anti corruption and cartel laws and of increasing the resilience of public procurement systems to corruption and collusion through a range of measures The relevance of the topic to the social and economic well being of citizens and the survival of democratic governance is highlighted throughout the book Pioneering and comprehensive Combatting Corruption and Collusion in Public Procurement provides a pathbreaking analysis of a range of global issues making it an essential read for scholars lawyers government officials and representatives of international and non governmental organizations around the world

Dr. Joyce Brothers Kathleen Collins, 2016-09-02 Equipped with an encyclopedic

knowledge of boxing a young Joyce Brothers competed on The 64 000 Question and became the first woman to win the top prize money That triumphant debut in 1955 was the initial step toward a career as a media pioneer Through her own advice programs and perennial appearances on talk shows as well as episodic television Brothers became one of the most well known figures of the 20th century For more than four decades viewers could count on her authoritative calm response to almost any issue from marital and financial woes to the Space Shuttle disaster In Dr Joyce Brothers The Founding Mother of TV Psychology Kathleen Collins explores how a clever businesswoman provided a mass scale service for a never ending demand helping viewers understand themselves Collins explains how Brothers longevity on television was in large part afforded by her symbiotic relationship with the medium She played other roles in addition to and interdependent on that of media psychologist Her numerous appearances on variety shows sitcoms and dramas kept her on the screen and in the public eye creating both a persona as celebrity professional as well as professional celebrity This portrait of Brothers multi layered career also provides a means by which to observe U S cultural history addressing cultural preoccupations with television and self help obsessed audiences looking for guidance in reality TV Drawing on primary sources from Brothers personal papers and published interviews as well as interviews the author conducted with several of Joyce s former colleagues and her daughter Lisa Arbisser Collins provides an engaging informative and thought provoking look at this iconic figure

Revolt of the Rich David Gibbs,2024-06-18 Inequality in the United States has reached staggering proportions with a massive share of wealth held by the very richest How was such a dramatic shift in favor of a narrow elite possible in a democratic society David N Gibbs explores the forces that shaped the turn toward free market economics and wealth concentration and finds their roots in the 1970s He argues that the political transformations of this period resulted from a revolt of the rich whose defense of their class interests came at the expense of the American public Drawing on extensive archival research Gibbs examines how elites established broad coalitions that brought together business conservatives social traditionalists and militarists At the very top Richard Nixon s administration quietly urged corporate executives to fund conservative think tanks and seeded federal agencies with free market economists Even Jimmy Carter s ostensibly liberal administration brought deregulation to the financial sector along with the imposition of severe austerity measures that hurt the living standards of the working class Through a potent influence campaign academics and intellectuals sold laissez faire to policy makers and the public justifying choices to deregulate industry cut social spending curb organized labor and offshore jobs alongside expanding military interventions overseas Shedding new light on the political alliances and policy decisions that tilted the playing field toward the ultrawealthy Revolt of the Rich unveils the origins of today s stark disparities

The Central Provinces Gazette Central Provinces (India),1936 **In Praise of American Educators** Richard DuFour,2015-07-20

Explore the state of education today In this thought provoking book the author presents a compelling case for why contemporary American educators are the greatest generation in history He carefully explains why current national reform

policies have failed and presents specific steps policymakers administrators and teachers must take to transform American schools to meet student needs in the 21st century *Local Officials and the Struggle to Transform Cities* Claire Bénit-Gbaffou ,2024-02-27 Why are even progressive local authorities with the will to improve seldom able to change cities Why does it seem almost impossible to redress spatial inequalities deliver and maintain basic services elevate impoverished areas and protect the marginalised communities Why do municipalities in the Global South refuse to work with prevailing social informalities and resort instead to interventions that are known to displace and aggravate the very issues they aim to address *Local Officials and the Struggle to Transform Cities* analyses these challenges in South African cities where the brief post apartheid moment opened a window for progressive city government and made research into state practices both possible and necessary In debate with other progressive moments in large cities in Brazil the USA and India the book interrogates City officials practices It considers the instruments they invent and negotiate to implement urban policies the agency they develop and the constraints they navigate in governing unequal cities This focus on actual officials practices is captured through first hand experience state ethnographies and engaged research These reveal day to day practice that question generalised explanations of state failure in complex urban societies as essential malevolence contextual weakness corruption and inefficiency It is hoped that opening the black box of the workings of state opens paths for the construction of progressive policies in contemporary cities *Capital Claims: Power and Global Finance* Benjamin Braun,Kai Koddenbrock,2022-12-23 *Capital Claims Power and Global Finance* analyses how global financialized capitalism operates and reproduces itself exploring the remarkable ability of the financial sector to maintain its dominance through even the most severe economic crises The book defines international financialization as a process by which the number and value the tradability and the enforceability of cross border financial claims increase and are successfully defended against competing social or political agendas By focusing on financial claims the volume develops a conceptual toolkit for the study of the political economy of global finance and the inequalities it sustains The book brings together leading researchers whose work is geared towards opening the black box of cross border finance The authors suggest shifting the analytical focus from capital flows to capital claims credit debt relations between identifiable actors embedded in social and political institutions and infused with power and hierarchy They show how financial actors wield leverage power infrastructural power and enforcement power both vis vis other private actors and vis vis the state This book will be of great interest to students teachers and researchers of international political economy critical political economy and international relations as well as those in the fields of finance capitalism studies activism policymaking and advocacy An Online Appendix for Chapter 11 is available at www.routledge.com/9781032111193 *Resonances of the Raj* Nalini Ghuman,2014 During the century of British rule of the Indian subcontinent known as the British Raj the rulers felt the significant influence of their exotic subjects *Resonances of the Raj* examines the ramifications of the intertwined and overlapping histories of Britain and India on English

music in the last fifty years of the colonial encounter and traces the effects of the Raj on the English musical imagination. Conventional narratives depict a one way influence of Britain on India with the discovery of Indian classical music occurring only in the post colonial era. Drawing on new archival sources and approaches in cultural studies, author Nalini Ghuman shows that on the contrary, England was both deeply aware of and heavily influenced by India musically during the Indian British colonial encounter. Case studies of representative figures including composers Edward Elgar and Gustav Holst and Maud MacCarthy, an ethnomusicologist and performer of the era, integrate music directly into the cultural history of the British Raj. Ghuman thus reveals unexpected minglings of peoples' musics and ideas that raise questions about Englishness, the nature of Empire, and the fixedness of identity. Richly illustrated with analytical music examples and archival photographs and documents, many of which appear here in print for the first time, *Resonances of the Raj* brings fresh hearings to both familiar and little known musics of the time and reveals a rich and complex history of cross cultural musical imaginings which leads to a reappraisal of the accepted historiographies of both British musical culture and of Indo Western fusion.

Mosley and British Politics 1918-32 D. Howell, 2014-10-21. Oswald Mosley has been reviled as a fascist and lamented as the lost leader of both Conservative and Labour Parties. Concerned to articulate the demands of the war generation and to pursue an agenda for economic and political modernization, his ultimate rejection of existing institutions and practices led him to fascism.

Street Politics in the Age of Austerity Marcos Ancelovici, Pascale Dufour, 2025-10-01. The past few years have seen an unexpected resurgence of street level protest movements around the world, from the uprisings of the Arab Spring to the rise of the anti austerity Indignados in Spain and Greece to the global spread of the Occupy movement. This collection is designed to offer a comparative analysis of these movements, setting them in international socio economic and cross cultural perspective in order to help us understand why movements emerge, what they do, how they spread, and how they fit into both local and worldwide historical contexts. As the most significant wave of mass protests in decades continues apace, this book offers an authoritative analysis that could not be more timely.
