2014 Memorandums Of Grade 11 End Of Year Examinations:

Letters to the Editor (1997-2014) Nagindas Khajuria, 2015-02-28 I have known Nagindas for more than 32 years When I first met him in the early 1980s I was a newly qualified accountant and Nagindas had already been in practice for more than 15 years At the time he had just returned from a stint of work in the Middle East and since I was contemplating going to the Middle East for work also he was a source of much advice and guidance and indeed he was a kind of role model to me he inspired me to achieve his level of attainment Since I returned to the UK in the early 2000s Nagindas has acted as my accountant as I have moved away from the world of accounting and auditing The last 15 years has been the time when I have come to know Nagindas at a much closer professional and personal level Professionally I would say that he is a competent and thorough accountant with integrity and always has the best interests of his clients at heart I have found that he does not panic in crisis situations his approach to crisis management is to always act in a cool and calm manner On any particular aspect involving accounting auditing or taxation matter he first develops deep understanding of the subject matter he does not comment until he has all the facts and when he does he goes to the crux of the matter this is reflected in one of the companies he has set up At a personal level Nagindas is approachable and jovial and humorous at times many a times I can think of examples where his particular take on a matter was accompanied by humorous anecdotes which made a lot of sense and captured the essence of the subject or idea being discussed I personally think this is reflected in some of the Letters to the Editor that he has written to newspapers over the last decade and a half Shailesh Khajuria Markets International Banking RBS
