Anarchist An Mc Serial Novel English Edition:

Gothic Realities L. Andrew Cooper, 2014-01-10 Eighteenth century critics believed Gothic fiction would inspire deviant sexuality instill heretical beliefs and encourage antisocial violence this book puts these beliefs to the test After examining the assumptions behind critics fears it considers nineteenth century concerns about sexual deviance showing how Frankenstein Dr Jekyll and Mr Hyde Dorian Gray and other works helped construct homosexuality as a pathological dangerous phenomenon It then turns to television and film particularly Buffy the Vampire Slayer and David DeCoteau s direct to video movies to trace Gothicized sexuality s lasting impact Moving to heretical beliefs Gothic Realities surveys ghost stories from Dickens s A Christmas Carol to Poltergeist articulating the relationships between fiction and the real supernatural Finally it considers connections between Gothic horror and real world violence especially the tragedies at Columbine and Virginia Tech

Macrojustice Serge-Christophe Kolm, 2004-12-13 The main features of the just society as they would be chosen by the unanimous impartial and fully informed judgment of its members present a remarkable and simple meaningful structure In this society individuals freedom is fully respected and overall redistribution amounts to an equal sharing of individuals different earnings obtained by the same limited equalization labour The concept of equalization labour is a measure of the degree of community solidarity reciprocity redistribution and equalization of the society under consideration It is determined by a number of methods presented in this study which also emphasizes the rationality meanings properties and ways of practical implementation of this optimum distribution This result is compared with the various distributive principles found in practice and in political philosophical and economic thinking with the conclusion that most have their proper specific scope of application The analytical presentation of the social ethics of economics is particularly enlightening New York Times Saturday Review of Books and Art ,1969

Vigilantes Kevin Grant, 2020-01-03 For many people the cinematic vigilante has been shaped by Charles Bronson s character in Death Wish and its sequels But screen vigilantes have taken many guises from Old West lynch mobs and rogue police officers to rape avengers and military trained equalizers This book recounts the varied representations of such characters in films like The Birth of a Nation which celebrated the violence of the Ku Klux Klan and Taxi Driver Falling Down and You Were Never Really Here in which the vigilante impulse was symptomatic of mental instability Also considered is the extent to which fictional vigilantism functions as social commentary and to what degree it is simply stoking popular fears
