1. Explain the relationship of tourism and hospitality.

Tourism involves the travel of the tourist and arrange their travel while hospitality provide what the customer needs, like accommodation, food, leisure and other services. Tourism provide income to the hospitality industry that's why without tourism there will no income to the hospitality and tourism sectors, on the other hand without the good service that the hospitality industry provide to the tourist there will be no tourism. Because it is the service quality that make tourist come in that specific place.

2. Discuss the importance of tourism and hospitality

Tourism and hospitality provide money to the economy of a country. The more the tourist spent for their vacation or stay can generate a larger income to the country that can benefit the society. Without tourism and hospitality there will be less income that can cause unemployment and poverty to the people. Tourism and hospitality plays an important role in our daily life they are the one who provide services that we need, food, temporary shelter and others, it also provide jobs to people, the people that are making the services we need. And that is the importance of tourism and hospitality in the economy of a society.

3. Explain the contributions of the Sumerians to the development of hospitality industry.

Sumerians play a big role in the development of hospitality industry because of their inventions hospitality industry come to life, the Sumerians wheel and money helps them to travel and search for something that will satisfy their needs. This makes people to establish more and create something that will provide the travellers' need.

4. Why did the business of inn keeping disappear during the dark ages?

At this point in time there is a breakdown in the Roman Empire and movement of so-called barbarian peoples including the Huns, Goths, Vandals, Bulgars, Alani, Suebi, and Franks appears they destroy roads and other establishment that causes people to be afraid to go out worrying that they will be involved in the war. They also destroy buildings that causes some business to close down.

5. How tourism and hospitality dollar spent based from the picture below?

According to the chart the dollar spent from the travellers who pay for their transportation, and other necessities such as food, lodging, travel agencies and leisure, then from the transportation company they pay for their taxes and staff who work for them same through the establishment that the traveller goes to then the staff spent their dollar to pay bills, rental, taxes and other fee including leisure and from being a staff they become the traveller.
