A Fetish For Men:

The Uncivilized Races of Men in All Countries of the World John George Wood, 1875 [Uncivilized Races of Men in All Countries of the World](#) John George Wood, 1870 **Perversity, Pornography, and the Psychology of the Male Species** Richard Tuch, 2025-11-17 This book presents an overview of present day psychoanalytic thinking about the perverse spectrum perverse thinking disavowing reality perverse modes of relating manipulating others for one's own gain at the other's expense and perverse character structure toying with another's sense of reality culminating in a clinical exploration of the challenges associated with treating patients who manifest perverse transference reactions Stoller's contested theories about gender identity sexual fantasy and perversity constitute a model of male psychological development that contradicts Freud's belief about the advantages of being born male When a boy realizes his body differs from that of his mother noted Stoller the boy ceases to feel as close to her as he once felt which is a calamity the boy must bear and mourn The boy's burgeoning sense of superiority associated with the phallic narcissistic stage of development helps counter the loss Fixation at this stage is not the norm as Stoller had imagined rather it helps account for what is colloquially referred to as toxic masculinity The task of individuating from mother colors a man's subsequent relationships with women beginning with the boy's efforts to break free of mother followed by a subsequent struggle against the urge to be reunited with the primal mother which contributes to men's dread of women Rereading Stoller challenges present day thinking about gender and gender identity and it clarifies the role objectification fetishization sexualization and perversity play in the lives of men the extent male fantasy is tinged with hostility With fascinating clinical vignettes and a deep understanding of the source material this is key reading for psychoanalysts and psychotherapists working with men [The uncivilized races of men in all countries of the world; vol. 1 of 2](#) J. G. Wood, 2023-07-10 In *The Uncivilized Races of Men in All Countries of the World* Vol 1 of 2 J G Wood embarks on an ambitious ethnographic exploration meticulously documenting various societies deemed uncivilized during the late 19th century Utilizing a descriptive and often vivid literary style Wood weaves narratives that interlace artful observations with scientific inquiry reflecting the Victorian fascination with anthropology and the exotic His accounts draw heavily on travel and exploration literature positioning them within a broader discourse on race and civilization that was prevalent in his time while also complicating the idea of what constitutes civilization itself J G Wood a naturalist and writer was profoundly influenced by the scientific revolutions of his era which inspired him to catalog the diverse cultures he encountered during his travels His background in natural history and a keen interest in human behavior provided him with a unique lens to view the cultural diversity of humanity igniting a passion that transcended mere observation and sought to understand the rationality of seemingly alien customs and practices This seminal work is recommended for scholars and lay readers alike who wish to delve into the complex interplay between culture and civilization Wood's extensive research encourages a reflective understanding of humanity's myriad expressions and offers a

compelling critique of contemporary social thought making it an essential text for anyone interested in anthropology history or the ongoing conversations surrounding race and civilization **The Uncivilized Races of Men in All Countries of the World** John George,1876 **The Uncivilized Races of Men in All Countries of the World, Vol. 1** John G.

Wood,2022-11-24 Excerpt This work is simply as the title page states an account of the manners and customs of uncivilized races of men in all parts of the world Many travellers have given accounts scattered rather at random through their books of the habits and modes of life exhibited by the various people among whom they have travelled These notices however are distributed through a vast number of books many of them very scarce many very expensive and most of them ill arranged and it has therefore been my task to gather together in one work and to present to the reader in a tolerably systematic and intelligible form the varieties of character which develop themselves among races which have not as yet lost their individuality by modern civilization In this task I have been greatly assisted by many travellers who have taken a kindly interest in the work and have given me the invaluable help of their practical experience Cultures of Fetishism L.

Kaplan,2016-03-01 In her latest book Dr Louise Kaplan author of the groundbreaking Female Perversions explores the fetishism strategy a psychological defense that aims to tame subdue and if necessary murder human vitalities Through an exploration of such cultural phenomena as footbinding reality television and the construction of robots Kaplan demonstrates how in a technology driven world an understanding of the fetishism strategy can help to preserve the human dialogue that is the basis of all human relationships Kaplan writes from the heart as well as from the intellect **Find a Good Man and**

Keep Him Satch U. Ejike,2008-09 A lady once said that finding a good man is like looking for a needle in a haystack This is not and should not be the case True love is all around you if earnestly you desire it The book suggests functional approaches to true love as an alternative to the hit and miss approach that almost always ends in divorce or heartbreak The book is for the married or single woman It is for the married woman who perhaps already has a good man and necessarily must keep him It is for the single woman who now is in search of a good man for a lifetime of joyful romance and companionship The book examines the good man s qualifying attributes the meaning of romantic love the concrete manifestations of love and importantly how you recognize and sustain true love when it comes your way Find a Good Man and Keep Him is a practical guide that leads you through and away from the hurtful tumbles and stumbles of a failed relationship onto the path of manifest love with a good man **TIMES OF WAR & PERIL - The Historical Novels Series (Illustrated Edition)** G.
