A Fighter Pilot's Guide To Spiritual Warfare:

A Fighter Pilot's Guide to Spiritual Warfare Ken March, 2008-08 Ever wonder why life seems to always be a struggle A Fighter Pilot's Guide To Spiritual Warfare uses experiences gained through military training and combat to understand the tactics our spiritual enemy uses to war against us The author then gives biblical guides to consistently win the battles we face on a day to day basis Enemy Territory Douglas Mosley, 2007-03-25 The battle rages in enemy territory are you

prepared for victory As an ordained minister and former Marine Sergeant I hope to bring you insight into the battle we face against an enemy that walks among us every day This enemy is not of any foreign power it is not even of this world The enemy we face attacks us spiritually We must be prepared to fight him spiritually just as much as any physical army is prepared to fight its enemy physically We must be equipped trained and prepared for serious spiritual warfare to win this battle The enemy comes at us from all angles with all forms of attack Millions of souls hang in the balance where so few people are even aware of his presence in their lives Through these pages I endeavor to enlighten you with an understanding of the various weapons and tactics of the enemy we face in spiritual battle Armed with the Word of God I will show you how to engage the enemy in his territory and defeat him once and for all And not just in your personal life but in the ongoing quest to bring souls to the Kingdom and bring Glory to God
